

PUMPHOUSE GANG

Houston Farm and Ranch

One Abercrombie Drive, Houston, Texas 77084

The Houston Farm and Ranch Pumphouse Gang, was established to help add on to auction lots at The Harris County Fair. Our goal is to ensure every student be rewarded for their hard work and effort. Each year, the number of students raising projects grows. We aim to meet the growing need for support. Last year the Pumphouse Gang was able to add onto each of the animal projects in our live auction. Individuals and small businesses cannot always afford to purchase an animal alone, so Pumphouse Gang provides an opportunity to be involved and support the 4-H and FFA students. All money collected is used to add onto live auction animal projects exhibited by 4-H and FFA students of Harris County, thus ensuring that the students received a fair amount for their project.

To join this group, please include a \$100 minimum donation with the completed form. Keep the top part for your records. All donations are tax deductible, since the Houston Farm and Ranch does have a 501(c)(3) classification. Thank you for supporting the 4-H and FFA students of Harris County and the encouragement of positive development and hard work.

Sincerely,
James Lockhart, Houston Farm and Ranch
