**THE OVER THE MOUNTAIN RIDE** begins on the picturesque Vermont, Massachusetts, and New York border. Riders will experience the joys of traveling through forest and stagecoach trails long since forgotten. Traversing the mountain is both challenging and serene, opening up into a valley of indescribable beauty. Lunch is provided with free apples for your horses.

The first half of the ride takes approximately 3 hours and is challenging. Horses need to be in shape, and hoof protection is recommended on all horses. The second half of the ride follows the old wagon trail from Berlin to Grafton. The dirt roads allow riders to move at their own pace. Riders looking for a less strenuous ride can join us at the lunch spot on Satterlee Hollow Road for the 3 ½ hour ride back to the Clubhouse.

The entire ride is about 20 miles long and can be done at a steady walk in about seven hours, including the half hour lunch break. Horses need to be in shape for this lovely fall ride. A rescue trailer will be available for horses (or riders) not able to complete the ride.

**HORSES IN DISTRESS WILL BE EXCUSED FROM THE RIDE BY OTM OFFICIALS.**
