Dear Mrs. Rooney,

The Ordnance Corps Association of the Massachusetts Army National Guard extends its sincere appreciation and heartfelt gratitude for your concurrence in establishing the "SFC Robert Rooney Chapter of the Ordnance Corps Association" in memory of your husband and fellow Soldier, SFC Robert Rooney. This Chapter is both honored and proud to have his name and legacy live on through the Ordnance Corps. We will never forget the ultimate sacrifice that he made in the defense of this Nation. We also recognize the sacrifices that you and the Rooney family continue to make due to your loss. Most of us that were fortunate to have had the pleasure of knowing Bob always admired his personal commitment, technical competency and willingness to help others. He was the consummate professional. He is truly missed by his Soldiers, co-workers and friends in the Guard. This Chapter will continue to recognize Bob and other Soldiers who have made significant sacrifices and contributions to the Ordnance Corps. Again, we extend our heartfelt thanks to you and family. Enclosed is a copy of the signed Charter from the National Association located at Ft. Lee, VA.

Sincerely,  
  
DAVID K. CUNIFF
