Helping People Change the Way
They Live Their Lives

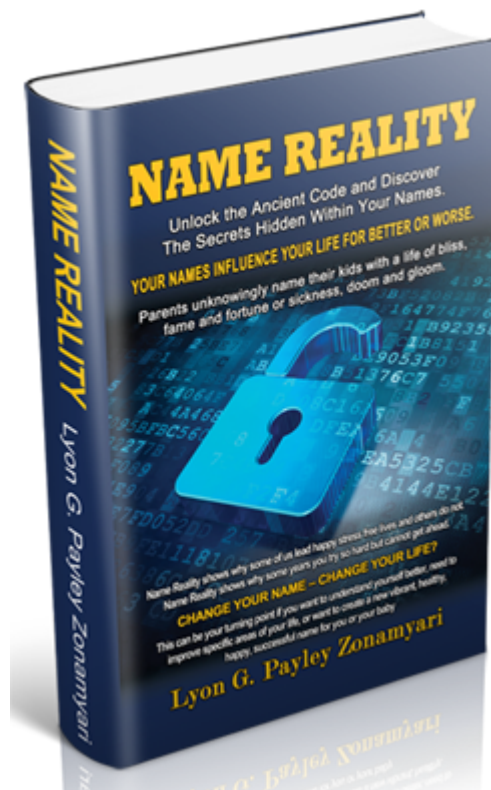

Greetings to all my friends,

Another year is about to end so I send seasonal greetings to you all and wish you happy holidays.

If you are looking for something different to send your loved ones this Holiday Season, I am offering my services at special rates this month.

My fully instructional book titled **Name Reality** is available at all online book stores as an EBook for US\$9.99. Paperback \$19.99 and Hardback \$29.99.

More information at www.namesdoctor.com

Many of you have had a personal name analysis and know the benefits of this incredible system to enhance your life today and for the years ahead. So I am offering a **Mini Name Analysis for your children.**

It will provide the same documented information as the full analysis you may have had yourself but with a shorter 30 minute consultation to discuss how to take advantage of your child's positive attributes whilst providing advice how to compensate for any negative aspects resonating from the balance of their names and their yearly events chart for just **US\$99.**

December Special: Full Name Analysis

If you have not taken advantage of a **full name analysis** yourself or a special friend, I am **discounting the price from US\$250 to \$196** this month, to be fulfilled in January 2020.

December Special: Healing Program with consultation

My Three Step Healing Program with consultation

www.namesdoctor.com/three-steps-to-healing.html reduced from **US\$151 to \$97** this month only.

Please reply with which services you need and I will direct you to my PayPal account to fulfill.

Lyon's next Guest Speaker Event

Last but not least, I have been invited as a **guest speaker on Eram Saeed's show From Heartache to Joy** discussing my healing program this coming January. All the guest speakers offer Free Gifts so sign in and see if something is what you need to give your New Year a Kick Start.
