**With the holidays upon us, please be reminded that costume payments are due by December 7th. It is important for costume payments to be on-time so we can promptly order your dancer's recital costume. Each costume has to be custom made and this process can take months. We do our best to order them as early as possible to ensure that costumes arrive prior to picture week and well before recital. You will receive a costume letter by e-mail that will include the price of the costume as well as any additional items that may be required for the routine. This letter will also be viewable in the "view documents" tab on your Studio Director account. Please contact us with any questions!**

## Christmas Parade

**Saturday, December 1, 2018**

**We are so excited to be in the planning process for the Goldsboro Christmas parade! We will send an e-mail with the choreography, as well as information on drop off and pick up locations. Your dancers will be reviewing choreography in class closer to the date of the parade. ASOC will not be using a trailer this year. For this reason, any child under the age of 5 must be accompanied by an adult. Wagons and strollers will be permitted—feel free to decorate them as you wish! This year, for the Goldsboro Christmas parade, we will require each dancer to wear a sticker with a numerical code that matches the numerical code given to a parent at the time of drop off. In order to pick up your dancer, you must have the numerical code. This is to ensure your child’s safety. We look forward to spreading Christmas cheer with the community!**
