Dear Members,

It was wonderful spending 2021 with all of you, your family & friends! We are definitely looking forward to another summer at Melody Pool & we hope that you are too! Thank you all for your continued membership & support.

If you have friends or family who HAVE NOT been previous members and you refer them to join, you will receive a \$20 credit to the concession stand for the 2022 season. Also, the first 50 memberships paid in full will receive a guest punch card. These must be picked up with your membership card.

There will be a slight change in the handling of memberships this year moving forward. There will not be a membership fee increase, however, taxes will be added. In an effort to offset this cost in 2022, you will have the opportunity to pay in full prior to March 1st to waive the tax increase. Please understand that operating expenses have increased and we want to continue making improvements & upgrades yearly.

We will have our **Open House** on **May 22nd from 2-4pm**. This time is set aside for potential members to visit the beautiful grounds, for members to pick up your Membership Card or to purchase your membership. Unfortunately, there will be no swimming that day.
