

## Natalie's Penguins!

Natalie loves to watch the penguins dive into the water.

She is watching 7 penguins standing on the edge of the iceberg.

The penguins like to dive into the icy water.

Roll the dice to find out how many penguins dive into the water.

- Record what happens:  $7 - 3$  makes 4 penguins left on the edge of the iceberg.
- Prove it!  $7 - 3 =$  because  $3 + 4 = 7$
