

# RCAC BBQ Perth Legion

## Members of the Royal Canadian Armoured Corps:

Following what will undoubtedly be an excellent Henry Sampson Golf Tournament in next door Smith Falls, you are all invited to the Perth Legion the following day to meet with armoured comrades of all ranks and our families to share some wonderful updates on our lives in these great and welcoming surroundings. Once again we owe a debt of gratitude to Branch 244 of the Royal Canadian Legion ([www.rcl244.com](http://www.rcl244.com)), the Town of Perth, and Parks Canada for their continued support.

This event will take place rain or shine on:

**Saturday, 27 July from 11 AM to 4 PM at the Perth Legion  
(26 Beckwith St E, Perth K7H 1B5).**

***Bring your own food or purchase the delicious BBQ burgers and sausages that will be available.***

**Children are most welcome.**

Parking is available and you can enjoy the relaxed atmosphere of beautiful downtown Perth and visit the very interesting Legion museum.

As General Rad, the initiator of these annual get togethers, would have said: "LET'S KEEP'ER GOIN'!", or in the words of General Milner: "Have a gathering and they shall come."

If you intend to attend, an early acknowledgement would be appreciated to ease the planning for food and table set up. Please let me know as soon as you can at [caddyrcd@gmail.com](mailto:caddyrcd@gmail.com) and bring a gift for the raffle if you wish.

Clive
