Welcome to the Geneva Family YMCA 2015 Summer Programming Guide

At the Geneva Family YMCA we provide a safe, affordable and fun day camp experience for children ages 4– 12.

Our summer program provides a range of activities to entice everyone's interest, in an atmosphere that reinforces the values of caring, honesty, respect and responsibility.

Children will enjoy a summer full of nature, water fun, games, field trips, sports, arts & crafts and new friendships.

Weekly themes allow your child to make new discoveries and explore activities of interest such as sports, art/theater/music, science and more.

This year we are pleased to welcome back Donna Wandell as our Senior Camp Director and Carol Lozada as our Jr. Camp Director.
