### ATTENTION Benton County Residents 2016 County SCORE Grants Available for Solid Waste Abatement and Recycling Projects

Funds are available through the SCORE grant program to the public or private sector for funding programs or services that promote the reduction, reuse, or recycling of waste in Benton County.

Grants may only be used for the development and implementation of programs designed to fulfill one or more of the following:

- Reduce the amount of solid waste generated;
- Recycle the maximum amount of solid waste technically feasible;
- Create and support markets for recycled products;
- Remove problem materials from the solid waste stream and develop proper disposal options for them;
- Inform and educate all sectors of the public about proper solid waste management procedures;
- Provide technical assistance to public and private entities to ensure proper solid waste management;
- Provide educational, technical, and financial assistance for litter prevention;
- Process mixed municipal solid waste generated in the county at a resource recovery facility located in Minnesota.

For more information about the grant program and to obtain an application form visit the Benton County Website at [www.co.benton.mn.us](http://www.co.benton.mn.us) or contact Benton County Department of Development at 320/968-5065. Completed applications must be received by May 6, 2016.

### BENTON COUNTY BOARD OF COMMISSIONERS REGULAR MEETING MINUTES – February 16, 2016

The Benton County Board of Commissioners met in regular session on February 16, 2016 in the Benton County Board Room in Foley, MN with Commissioners Spencer Buerkle, Warren Peschl, Jake Bauerly, Ed Popp and Jim McMahon present. Call to order by Chair Buerkle was at 9:00 a.m. followed by the Pledge of Allegiance to the flag.

Peschl/Bauerly unanimous to approve the agenda as written. No one was present to speak under Open Forum.

Popp/McMahon unanimous to approve the Consent Agenda:

- 1) approve the Regular Meeting Minutes of February 2, 2016 as written;
- 2) ratify MN Counties Computer Cooperative Integrated Financial System Support Contract, and authorize the Chair to sign;
- 3) approve Office Space Lease with Foley Area CARE for office space in the old Highway Building for an additional three-year term, and authorize the Chair to sign;
- 4) approve Mutual Aid Agreement with Mille Lacs County for automated license plate reader program, and authorize the Chair to sign;
- 5) approve amendment to LETG (Law Enforcement Technology Group) contract, and authorize the Chair to sign;
- 6) approve 2016 Solid Waste Hauler Licenses Round 1: Republic Services Sauk Rapids; Jim’s Mille-Lacs Disposal, Inc.; Reliable Rolloff; JME of Monticello, Inc.; Advanced Disposal Services, LLC; West Central Sanitation, Inc.; Veit Container Corp dba Veit Disposal Systems; Granite City Rolloff LLC; Pierz Sanitation Inc. and Bumble Bee Express Rolloff, and authorize the Chair to sign;
- 7) approve abatement of 2015 taxes for Parcel 06.00026.01; and
- 8) approve Special Road Use Permit—Rice Family Fun Days—and authorize the Chair to sign.

Karri Thorsten, Auditor-Treasurer, provided an update on 2015 LEAN activities (included a Kaizen event on cash receipting, training of four additional facilitators, LEAN 101 training, attendance at AMC Continuous Improvement Workshop). Thorsten also provided a summary of ideas for future LEAN events.

Chris Byrd, County Engineer, explained that the City of Foley, in conjunction with Benton County, is designing the reconstruction of 4th street in downtown Foley. He noted that the City would like to widen the existing sidewalks from 6.33 feet to 8.33 feet; to accommodate this width within the existing right-of-way, the diagonal parking would need to be narrowed by 2 feet. Byrd indicated that this narrow parking width is a deviation from State Aid Standards and requires approval of a variance (from 20’ to 18’ in parking stall width); before the State will approve a design standard deviation, a resolution from the sponsoring agency (Benton County), indemnifying the state, is required. Byrd noted that the Foley City Council adopted a similar resolution (indemnifying the state). McMahon inquired if the City’s resolution also contained a clause indemnifying the County. Byrd stated that the City’s resolution did not contain a “hold harmless” clause for Benton County; however, the project specific agreement will contain the indemnification language. Byrd stated his belief that the City’s request for a variance is reasonable in this location. Peschl/McMahon unanimous to adopt Resolution 2016-#5, a resolution requesting a variance from standard for State Aid Operation for Project No. S.A.P. 005-620-003, and authorize the Chair to sign.

Byrd reported that, at their February 8 meeting, the Sauk Rapids City Council approved the Municipal Consent and cost sharing spreadsheet for the CSAH 3 Up the Hill Project. Byrd provided an overview of the project location, project purpose/goals, known issues, traffic considerations, alternatives studied, public involvement/process, preferred concept (Alternative C modified), and lighting/landscaping. Byrd stated that the estimated overall project cost is \$13.2 million (design, right-of-way acquisition, construction, and engineering); outside funding was secured for the project totaling approximately \$3.1 million. He provided an overview of county/city costs for all bid items on the project (estimated construction cost of \$5,745,573.70 for the county and \$1,154,193.30 for the city; the city will also pay all the right-of-way costs (less Federal funding received for right-of-way costs). Byrd stated an anticipated construction start date of May 2016, with substantial completion by mid-November 2016. McMahon/Popp unanimous to approve the final cost sharing spreadsheet for the CSAH 3 Up the Hill project as presented.

Engineer’s Report: 1) CSAH 8 Reclaim; 2) Highway Safety Improvement Striping Project; 3) CR 58 (will maintain the gravel until spring load restrictions come off; contractor maintains at that time until paving); and 4) March 16 “Transportation Day at the Capitol.”

Bauerly/Peschl unanimous to continue with the Special Board of Appeal and Equalization for the 2016 assessment year and to set the date and time for convening the Special Board of Appeal and Equalization for Monday, June 13, 2016 at 6:30 p.m. in the County Board Room. Popp/McMahon unanimous to continue with the current per diem of \$135.

Monty Headley, County Administrator, explained that the Greater St. Cloud Development Corporation plans to create a workgroup having the goal of exploring redevelopment opportunities for the former VERSO paper mill site; GSDC asks that the County appoint a representative to this group. Board consensus to appoint Commissioner McMahon as representative to the GSDC “VERSO” site redevelopment workgroup.

The Regular County Board meeting was recessed at 9:38 a.m. to conduct a Human Services Board meeting.

The Regular County Board meeting was reconvened at 10:13 a.m.

Board members reported on recent meetings they attended on behalf of the county.

Popp/Peschl unanimous to set Committees of the Whole: February 23, Goal Setting/Priorities Discussion with Department Heads; March 3, Economic Development Workgroup; and March 16, Transportation Day at the Capitol.

McMahon/Bauerly unanimous to adjourn at 10:39 a.m.

Spencer C. Buerkle, Chair  
Benton County Board of Commissioners

ATTEST:  
Montgomery Headley  
Benton County Administrator

### SAUK RAPIDS-RICE PUBLIC SCHOOLS BOARD CONSENT/WORK STUDY SESSION MONDAY, FEBRUARY 8, 2016

A Work Session of the Sauk Rapids-Rice ISD 47 Board of Education was called to order by Chair Hauck Monday, February 8, 2016, at 5:30 p.m. in the SRRHS Board Room of said district.
