

Meet the chill brothers, Hershey and Chunky. They are 9 year old bonded brothers who must stay together. Chunky is a black and tan silver dapple and Hershey is a red shorthair dachshund. Chunky lives up to his name and will need to continue on a weight loss diet to get to a healthy weight. These boys are mellow fellows who love to hang out with you. They are house trained and have nice house manners. Hershey and Chunky are good with other dogs, and, while cats and children are unknown, their gentle nature would suggest that they would be fine with cats and children. Hershey and Chunky want nothing more than to live out the rest of their lives together in a loving Fur-EVER home. Could that be you?
