### Mark your 2017 calendar, program your GPS and start forming your team(s) for perhaps the Best Ultra Relay Event in the Midwest.

The Hil100+py Relay is held at the Wayne E. Dannehl National Cross Country Course on the campus of UW-Parkside in Kenosha, Wisconsin. In the simplest terms, this is a running tailgate party on one of the best high school and collegiate dedicated cross country courses in the country. There is no limit on the number of runners per team, but there is a minimum of two runners per team. Each team will run 33 loops on the 5K course, not everyone has to run the same number of loops but everyone does have to have a great time! We track the number of loops for each team, provide loop splits for all 33 loops and provide continuous live updates on a large screen near the exchange zone. We have also decided to change the format for entry fees, it will be based on the number of runners on your team. Each loop you have the option to hand off to a teammate or run another loop based on your team's strategy, but either way you will start and finish in XC Thrilllogy Village and the sounds of our DJ. The exchange zone and start/finish area lined with all the relay teams for hundreds of meters, music keeping the party on the right note, great food served by the UW-Parkside XC & track teams throughout the day, fun activities throughout the event and a tailgate party kind of feel, with lots of running and fun for everyone! **New for 2017**, we will have assigned Team Tent Areas. This will be determined in the order in which your team signed up. For example, first team to sign up will be in the first spot by the start/finish line. We will also be offering a valet service to assist in unloading and have all the supplies, tent, etc. taken to your assigned team area. This Hilloopy is run in conjunction with the Hot Hilly Hairy Ultra.

#### Why you will love Hilloopy 100+ Relay!

- **Tired of complicated logistics?** We are too! Don't worry about splitting up your team in vans and only meeting at major exchange areas. Send your runner on a 3-mile loop and wait for her or him to come back to you!
- **Maybe you want more miles.** On each 10-person team, there will be 4 "bonus loops." You can add 1, 2, 3 ... or all 4 to your personal log! Lots of options to "go long"!
- **Looking to relive your glory days of cross country?** This is a dedicated, nationally recognized XC course. Let'er rip
