Charity Golf Tournament

Your day on the golf course can assist us in helping the children of Honduras. We are building a children's ministry campus and community outreach center to teach God's Word to the children of Honduras. Children are taught who Jesus is through the stories of the Bible in Sunday School. During the week the building will be used for tutoring children with their schools studies, teaching English and life skills. Learn more about Mission Honduras please visit our website:

Mission-Honduras.org
