## From the President's Desk:

Several things this month:

- Membership renewals have gone out to all members. If you have not received one, contact us immediately. If you have, please return it promptly, it will make the process easier for everyone. As of Dec 31, you will technically no longer be a member if you don't.
  - We are issuing local membership cards to all new and renewing members this year, so we do not have to wait on the national office to process and send your new card. It is available as soon as you renew.
  - Our annual Christmas pot luck dinner is December 18th, at 6pm. We supply the Turkey and Ham and place settings, please bring a favorite dish to share, either a side or desert, your choice. This is a pot luck, so it is always fun to see what we get!
  - As we roll into winter, please be reminded of our inclement weather policy. If Dallastown Area schools are closed, so are we. Dallastown announces day and evening activities separately, and we follow their lead.
  - Finally, there will be a special Home Association meeting immediately following the general meeting on January 1, 2019 to discuss the demolition of the barn (next to the Jr's clubhouse).
- It's been a great year for the club, we are growing, prospering and having fun doing it, as more and more members participate in our activities. I look forward to the adventures of 2019!

## Trout Committee

I want to send a HUGE Thank You to all the wonderful people that are helping to feed the trout this year: Sarah and Jon, Bob, Chet, Gary, Bil, Howard, Jerry, Jim and Don and to those who helped get the raceways ready! We have all learned so much about the care and keeping of our raceways and trout. So far, our mortality rate has been very low and the fish really look like they are growing! Keep our fingers crossed that the waters don't freeze over too soon so we can keep growing them BIG for stream stocking!

Our goal this year is to teach as many people as we can, how to care for the fish, plan the stocking schedule and run the fishing Derby. Please contact me if you have any interest in being a part of the club's trout Co-op.

Upcoming dates: On December 12th at 1:00pm, the PA State Fish Commission guys will be at the club to do a Gill-Lice inspection on the 14,800 fish that we are raising. This would be a great time for you to pick up some knowledge if you are available. Mark your calendar for January 27th at 1:00 pm. We will hold a meeting/ orientation clubhouse for those who want to be involved in our Trout Co-op. At this time we can coordinate your help with the local stream stocking and do some Derby Planning. Please attend! Please contact Cindy Ness at 717-968-0159 if you are at all interested, or just curious.

It will make you a better shooter, stage designer, set-up helper, and squad mate. Contact Vet if you're interested in taking the class. We may try to get a class organized at York based on our recent affiliation, but that likely won't be until 2020. -Russell

## Trap

Monday night Trap is closed for this season, opening for 2019 is scheduled for March 25, 2019 weather permitting.

## Other News

**Orientations** - Orientations, where we tour the grounds and discuss rules and features of the club are mandatory for prospective members, and interesting for existing members. The next three for 2019 will be: Saturday, January 5th, Sunday, February 3rd, and Saturday, March 2nd. All of will be at 2:00 pm. Everyone is welcome to attend. We meet in the upper floor of the clubhouse. Prospective new members should be reminded that our dues are by the calendar year now. If you join later in the year they are still \$110 per year and only through the end of 2019. We can hold completed applications until January 1st if you prefer.

**E-Mail Request** - Occasionally, there is a need to disseminate information faster than the newsletter allows, and a phone chain for 1300 members is just unreasonable to manage. Recent flood events are a good example.

Please, if you have an email address, add it to your contact info during the upcoming renewal season. We will not share this email with ANYONE, nor will we bombard your inbox with daily snippets and cartoons. This will only be used for urgent matters and committee requests, as indicated on your application.

If you wish to continue receiving your newsletter by snail mail, you may do so, our having an email address will not change that. Thanks

**Seafood Dinners** - Once again we will be having Seafood Dinners in January & March. If anyone would like to help or donate drinks (canned soda) or bottled water, it will help us increase profitability for our fundraising effort. Please drop them off at the Clubhouse, lower level. Thank You! Hope to see you there. Questions? Call Don at 717-873-4171

**Renewals** - Renewals will be coming out shortly in the mail. I will set up a date and time to stuff envelopes as soon as I receive them from Nationals. When you receive them, please send the pink copy along with your check. It is much quicker for me to scan your renewal, than to search for it in a list of 1300 folks. And as Gary asked in last months newsletter, if you can, please renew early. It takes a bit for Nationals to print the new cards and send them to me. Thank you Lisa

**PA State Division Meeting** - Just a quick note: 1/26/19 is the date for the next Pa State Division meeting in Bedford. Anyone can come, and we'll have room for 2 more in our vehicle. Questions-Call Dan Blair at 717-586-9715
