12/06

NON EXEMPT WORKERS COMPENSATION POLICY

Non-exempt employees are to be paid time and one-half (1.5) for work time that exceeds 40 hours during a scheduled workweek. A scheduled work week is defined as 8:30 a.m. – 4:30 p.m. unless otherwise directed in writing. Employees asked to work overtime are expected to do so. Employees are not authorized to work overtime unless authorized in writing by the Association Executive. Working overtime without authorization will result in disciplinary action up to and including termination.

12/06

VACATION, SICK LEAVE & HOLIDAY FULL TIME EMPLOYEES (40 HRS WEEKLY)

Sick Leave

Following the 90 day probationary period an Employee may, upon the approval of immediate supervisor, be absent for no more than 5 (five) business days in a calendar year as medically necessary due to illness. Once eligible, if an Employee exhausts the allotted sick leave, such sick leave shall be deducted from the Employee's wages. Sick leave is not cumulative and must be used within each calendar year or the privilege will expire. NABOR shall not compensate any Employee for any unused sick leave upon departure. Every effort will be made to contact the immediate supervisor as quickly as possible on the first day of absence.

Vacation Time

The established vacation year is January 1st through December 31st. Employees must submit a written request to their immediate supervisor for approval at least five days in advance. Vacations are not permitted during major events sponsored or operated by NABOR. Supervisor must approve all requests. Vacation time must be taken in half or full day

increments. Requests are granted on a first come-first served basis. Seniority is not a determining factor when granting requests.

Vacation time is accrued in a prorated manner (0.833´ hours per month), the Employee being eligible for 80 hours paid vacation per full calendar year worked. Following 6 months employment an Employee may take 40 hours (five business days) vacation. An Employee considered full time, working 30 or more hours but less than 40 hours weekly will accrue and may take vacation time in a pro rated manner to reflect such hours.

Following five years of employment an Employee may take a three week paid vacation (15 business days) per calendar year. No more than 80 hours vacation in consecutive days may be taken at any one time.

Vacation time is not cumulative and must be taken in the year for which it is accrued unless the express written permission of the President has been granted. Upon termination of employment, unused vacation time which has been accrued will be paid. Vacation time taken beyond what was accrued will be deducted from final paycheck or if applicable must be paid back to NABOR upon an Employees departure.

Unpaid Leave

All requests for time off will first be approved by the Employee's immediate supervisor. Time off for any reason during the working day will count against your allotted vacation time. Once an employee has used all their accrued vacation time, the time off will be without pay.

Authorized Paid Holidays

The following are authorized paid holidays. Paid holiday conflicts may be substituted by the immediate supervisor.

- President's Day
- Martin Luther King Jr. Day
- Memorial Day
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Eve (half day)
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve (half day)
- Christmas Day
- Day after Christmas Day
- New Year's Eve (half day)
- New Years Day
- Employee's Birthday

Overtime/Compensatory Time

Hours will not be worked in excess of the business week (forty hours) without the express permission of the Employee's immediate supervisor. Compensatory time only will be granted in lieu of payment where agreed excess hours have been worked. Said time shall be taken by arrangement with immediate supervisor and used within the calendar month it was accrued.

Notes Receivable ledgers and schedules	7 years
Investment Records	7 years after sale of investment
Credit card records (documents showing customer credit card number)	2 years

1. Credit card record retention and destruction

All records showing customer credit card number must be locked in a desk drawer or a file cabinet when not in immediate use by staff.

If it is determined that information on a document, which contains credit card information, is necessary for retention beyond 2 years, then the credit card number will be cut out of the document.

B. CONTRACTS

Record Type	Retention Period
Contracts and Related Correspondence (including any proposal that resulted in the contract and all other supportive documentation)	7 years after expiration or termination

C. CORPORATE RECORDS

Record Type	Retention Period
Corporate Records (minute books, signed minutes of the Board and all committees, corporate seals, articles of incorporation, bylaws, annual corporate reports)	Permanent
Licenses and Permits	Permanent

D. CORRESPONDENCE AND INTERNAL MEMORANDA

General Principle: Most correspondence and internal memoranda should be retained for the same period as the document they pertain to or support. For instance, a letter pertaining to a particular contract would be retained as long as the contract (7 years after expiration). It is recommended that records that support a particular project be kept with the project and take on the retention time of that particular project file.

Correspondence or memoranda that do not pertain to documents having a prescribed retention period should generally be discarded sooner. These may be divided into two general categories:

1. Those pertaining to routine matters and having no significant, lasting consequences should be discarded *within two years*. Some examples include:
 - Routine letters and notes that require no acknowledgment or follow-up, such as notes of appreciation, congratulations, letters of transmittal, and plans for meetings.
 - Form letters that require no follow-up.
 - Letters of general inquiry and replies that complete a cycle of correspondence.
 - Letters or complaints requesting specific action that have no further value after changes are made or action taken (such as name or address change).
 - Other letters of inconsequential subject matter or that definitely close correspondence to which no further reference will be necessary.
 - Chronological correspondence files.

Please note that copies of interoffice correspondence and documents where a copy will be in the originating department file should be read and destroyed, unless that information provides reference to or direction to other documents and must be kept for project traceability.

2. Those pertaining to non-routine matters or having significant lasting consequences should generally be retained permanently.

E. ELECTRONIC DOCUMENTS

1. **Electronic Mail:** Not all email needs to be retained, depending on the subject matter.
 - All e-mail—from internal or external sources—is to be deleted after 12 months.

- Staff will strive to keep all but an insignificant minority of their e-mail related to business issues.
 - The Navarre Area Board of Realtors® will archive e-mail for six months after the staff has deleted it, after which time the e-mail will be permanently deleted.
 - All the Navarre Area Board of Realtors® business-related email should be downloaded to a service center or user directory on the server.
 - Staff will not store or transfer the Navarre Area Board of Realtors®-related e-mail on non-work-related computers except as necessary or appropriate for the Navarre Area Board of Realtors® purposes.
 - Staff will take care not to send confidential/proprietary the Navarre Area Board of Realtors® information to outside sources.
2. **Electronic Documents:** including Microsoft Office Suite and PDF files. Retention also depends on the subject matter.
- **PDF documents** – The length of time that a PDF file should be retained should be based upon the content of the file and the category under the various sections of this policy. The maximum period that a PDF file should be retained is 6 years. PDF files the employee deems vital to the performance of his or her job should be printed and stored in the employee’s workspace.
 - **Text/formatted files** - Staff will conduct annual reviews of all text/formatted files (e.g., Microsoft Word documents) and will delete all those they consider unnecessary or outdated. After five years, all text files will be deleted from the network and the staff’s desktop/laptop. Text/formatted files the staff deems vital to the performance of their job should be printed and stored in the staff’s workspace.

3. **Web Page Files: Internet Cookies**

Each day the Navarre Area Board of Realtors® will run a tape backup copy of all electronic files (including email) on the Navarre Area Board of Realtors®’ s servers. This backup tape is a safeguard to retrieve lost information within a one-year retrieval period should documents on the network experience problems. The tape backup copy is considered a safeguard for the record retention system of the Navarre Area Board of Realtors® , but is not considered an official repository of the Navarre Area Board of Realtors® records. All monthly and yearly tapes are stored offsite according to the Navarre Area Board of Realtors® Disaster Recovery Policy.

In certain cases a document will be maintained in both paper and electronic form. In such cases the official document will be the electronic document.

CITATION

Recommendations:

1. An ethics complaint may be eligible for the citation program if there is an alleged violation, identified under the Citation Schedule of **Articles 3, 4, 5, 6, 12, 14 and/or 16**, provided the complaint does not also include articles which are not included in the citation program (i.e. Articles 1, 2, 7, 8, 9, 10, 11, 13, 15 or 17).
2. Upon receipt of a complaint alleging violation of the Code of Ethics, the Grievance Committee will consider whether the allegations of the complaint are true and support a potential violation of the Code of Ethics. In the event the Grievance Committee forwards the complaint to Professional Standards, it will be reviewed by the Chairman of the Professional Standards Committee or the Professional Standard's Chair's designee to identify if it is eligible for evaluation by a Professional Standards tribunal for the purpose of determining if the conduct is prohibited by the Citation schedule that has been adopted by the ASSOCIATION as a citable offense.

If after the Professional Standards Committee has reviewed a complaint and determined there is a possible violation of the Code of Ethics and that the complaint meets the requirements of the citation program, the citation shall be sent to the respondent, with a copy to the respondent's broker if the respondent is a non-principal.

3. The respondent will have 15 days from receipt of the citation to elect to accept the citation and timely abide by the sanctions outlined in the citation. If, within 15 days, the respondent does not acknowledge acceptance of the citation, the complaint will be forwarded to hearing in accordance with the procedures as outlined in NAR's *Code of Ethics and Arbitration Manual*.
4. If the respondent acknowledges and elects to accept the citation; but fails to abide by the sanctions, the local association shall follow its bylaw provisions for enforcement.
5. Sanctions under the Citation Program are as follows:
(The offense sanctions apply when the same respondent is named in the complaint not necessarily the same article.)

First Offense – Fine of \$300.00* to be paid within 60 days of citation date, and completion of the NAR online Ethics Training course within 60 days of the citation date.

Second Offense – Fine of \$600.00* to be paid within 60 days of citation date.

Third Offense – Fine of \$900.00* to be paid within 60 days of citation date.

***The fine will be the same whether one article has been cited or whether several Articles (under the citation program) have been cited on the complaint (i.e., there will be no increase in fine because more than one Article has been cited).**

6. A respondent is eligible to receive only three (3) citations within a thirty-six, (36) month period. After thirty-six months, the number of citations resets to three (3). If after three (3) citations have been issued and a subsequent complaint is filed within the same thirty-six (36) month period, the complaint will automatically be forwarded by the Professional Standards tribunal to a hearing and will not be eligible for the Citation Program. The citations are to remain in the respondent's file indefinitely and will be available to hearing panels for any future ethics hearings as well as for use in the Citation Program for progressive sanctions guidelines.
7. A respondent will be given 60 days from receipt of citation notice to correct the violation and to notify the ASSOCIATION of the correction.
8. If additional complaints are filed against the same respondent within the 60-day citation timeline alleging the same violation, the complaint will not be considered by the Professional Standards tribunal; rather it will automatically be forwarded to Professional Standards for a formal hearing.
9. If any complaint is forwarded to the respondent as a citation or dismissal, it will include a letter of explanation to the respondent.

ANONYMOUS COMPLAINTS

Anonymous complaints are eligible for consideration under the citation program for alleged violations of Articles 3, 4, 5, 6, 12, 14 and/or 16 provided the complainant submits sufficient documentation as evidence of the alleged violation. Anonymous complaints are those whereby the complainant does not provide his identity and no attempt by staff will be made to secure the identity.

The procedures outlined above shall be followed for Anonymous complaints except in cases where the respondent does not elect to accept the citation. In the event the respondent does not accept the citation and the Professional Standards tribunal determines there is sufficient evidential documentation to support the alleged violation, the Professional Standards Chair shall appoint a designee from of the Professional Standards Committee to become the complainant and present the case at the hearing. However, in the event the Professional Standards tribunal determines there is insufficient evidential documentation, the tribunal may dismiss the anonymous complaint. ASSOCIATION staff has authority to gather the necessary information (in instances of Facebook/Web site issues) on behalf of the Professional Standards tribunal for the purpose of making an informed decision.

11/14

It shall be the policy of the Board that the personal recording of any professional standards or arbitration proceedings by either involved party shall not be permitted.

Involved parties may obtain an official copy of the Board’s recording (in accordance with NAR policy).

If the President is involved in the complaint in any way whatsoever and therefore unable to give an unbiased professional opinion, they shall be excused from the appeal and their place shall be taken by a Director as chosen by the Immediate Past President.

CAPITALIZATION

1. Purpose

This Capitalization policy establishes the minimum cost (capitalization amount) that shall be used to determine how expenditures are to be recorded in the Navarre Area Board of Realtors® annual financial statements.

2. Materials and Supplies definition

A "material or supply" is generally considered to be tangible property that is used or consumed in the business within twelve months of acquisition, is not inventory, or has a unit cost of less than \$500. Materials and supplies meeting this definition may be expensed.

3. Capital Asset definition

A "Capital Asset" is defined as a unit of tangible property that: (1) has an economic useful life of more than 12 months; and (2) was acquired or produced for a cost of more than \$500, including acquisition and installation costs on the same invoice. Capital Assets must be capitalized and depreciated for financial statement purposes.

4. Capitalization thresholds

The Navarre Area Board of Realtors® establishes \$ 500 as the threshold amount for minimum capitalization of tangible property. Any items costing below this amount will be expensed in the Navarre Area Board of Realtors®' annual financial statements.

5. Capitalization method and procedure

All Capital Assets are recorded at historical cost as of the date acquired.

Tangible assets costing below the aforementioned threshold amount are recorded as an expense in the Navarre Area Board of Realtors®' annual financial statements.

6. Routine Maintenance definition

Routine maintenance that the Navarre Area Board of Realtors®' reasonably expects to make more than once to a unit of property, including buildings, over a 10-year period is not a capital asset and will be expensed.

7. Optional Election to Capitalize Routine Maintenance

Routine maintenance that would be expensed under the definition above, may be capitalized and depreciated with the following provisions: The financial statements (or books) and the tax return must reflect the same method; an election must be made with the annual tax return and the election applies to all amounts paid for repairs and maintenance to tangible property that the Navarre Area Board of Realtors®' treats as capital expenditures on its books and records for that tax year.

8. Recordkeeping

Invoices substantiating the acquisition cost of each unit of property shall be retained for a minimum of five years.

08/15

EXPENSE REIMBURSEMENT

It is the "General Policy" of the Navarre Area Board of REALTORS®, that the Association Executive or the Board of Directors may authorize that ***all reasonable expenses***, which may be incurred on behalf of the Association, shall be reimbursed when prior authorization for the expense was obtained.

If expenses are incurred without the prior authorization of the AE or the Board of Directors, the reimbursement request will be submitted in writing with the reason for the expense and copies of any and all receipts to the Finance Committee for review, who will then make a recommendation to the Board of Directors.

At present time, there is no pre-set authorization limit. Each request will be considered on a case-by-case basis.

OUR LEADERSHIP

NABOR CODE OF CONDUCT/CONFLICT POLICY FOR STAFF/LEADERSHIP

I _____ acknowledge that I have been elected to serve as an officer/director of the Navarre Area Board of Realtors®.

I fully understand that this position requires that I serve the members of the organization and that I represent the members in the decisions and activities of the organization. I acknowledge my responsibility to always place the interest of the organization above my personal considerations. I understand that e-mail communication is the primary form of communication for this organization. I pledge to faithfully execute the responsibilities of the office for which I have been elected. I further pledge to uphold the Bylaws of the NATIONAL ASSOCIATION OF REALTORS®, Florida REALTORS®, and the Navarre Area Board of REALTORS®. Recognizing that I cannot adequately represent the views of the membership if I am not present at meetings, I pledge to attend every meeting of the Board of Directors and agree that my signature below constitutes a resignation if I am absent from any three (3) regular Board meetings in a calendar year. Recognizing that I need to be accessible to the membership I pledge to attend every monthly luncheon meeting and blue ribbon marketing breakfast and agree that my signature below constitutes a call for my resignation if I am absent from any three (3) of each event in a calendar year.

I will, to the best of my ability, serve as an example of this organization's Code of Ethics in all my actions, both as an officer/director of the organization and as a REALTOR®. I will uphold and unequivocally support the decisions made by the Board of Directors of the organization. I understand that breaches of confidentiality, or a lack of integrity will not be tolerated and I acknowledge that any failure by me to abide by this Agreement may result in action by the organization, including, but not necessarily limited to, removal from office.

Act with Integrity

Integrity is fundamental to the NABOR organization. Along with our other values of leadership, passion, accountability, collaboration and quality, it is a pillar of our 2019 Vision. Integrity means doing what is right. By acting with integrity, we reflect positively on the values and reputation of the organization: Excuse yourself from any conversation or situation that may lead to a conflict of interest or a compromising position.

Be Honest in Your Decision Making

You are charged to make the strategic and directional decisions of the organization. You are responsible for ensuring that the organization meets its core obligations and that it is well placed to thrive both now, and in the future. Do your research, keep your own counsel and vote honestly and independently with your conscience. Your term may be short, but the implications of your decisions will be long lasting.

Follow the Law

Understand your role, its responsibilities and its limitations. Never put the organization in harm's way thru your voice, written word or actions.

Respect Confidentiality

At times, you will be privy to discussions, information and decisions of a sensitive nature; these shall be deemed confidential unless otherwise stated officially in writing. The president and (with the president's authority) the Association Executive are the organization's spokespeople.

Be Present – be Prepared

In order for you to represent the membership successfully, you are expected to be conversant with the governing documents, NAR's Core Standards, and to review all information in a timely manner. You agree to attend at least one of every committee meeting (so as to gain a thorough understanding of our purpose), and to regularly promote attendance at our events & classes. As leaders, we are responsible for the message that our events & programs provide value, and recognize that our personal participation generates the organic growth of the organization

Each tour consists of the first eight listings correctly submitted via the MLS, which are visited after breakfast.

The beach properties tour is called "Breakfast at the Beach" and is held every third Wednesday of the month directly following the BRM breakfast at Cocodrie's Restaurant.

All members are encouraged to attend the events for networking. Questions/concerns should be deferred to the Committee Chairperson.

1. TO VERIFY TOUR AVAILABILITY: On the NABOR MLS: use "Search" ensuring you have "combined residential", "active" and "Navarre" highlighted. Select "More" and scroll down to select the "Date: Tour" on the left side bar. Type in the Tour Date and select "set". When searching for Area 1 you must also select "Fort Walton Beach" as part of your search criteria. PLEASE NOTE: If you choose to put your listing on tour that is already full (eight listings) you are in a reserve status and will only qualify if someone cancels or has incorrectly submitted. 2. TO PUT YOUR HOME ON TOUR: On the NABOR MLS, Select "Maintenance" – enter the MLS number - "tour date" – enter the date of the tour- hit "update". Please ensure you enter your listing on the correct date for the area.

VOWS

Policy governing use of MLS data in connection with Internet brokerage services offered by MLS Participants (“Virtual Office Websites”)

I. Definitions and Scope of Policy. 1. For purposes of this Policy, the term Virtual Office Website (“VOW”) refers to a Participant’s Internet website, or a feature of a Participant’s Internet website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS data, subject to the Participant’s oversight, supervision, and accountability. a. A Participant may designate an Affiliated VOW Partner (“AVP”) to operate a VOW on behalf of the Participant, subject to the Participant’s supervision and accountability and the terms of this Policy. b. A non-principal broker or sales licensee, affiliated with a Participant, may, with the Participant’s consent, operate a VOW or have a VOW operated on its behalf by an AVP. Such a VOW is subject to the Participant’s supervision and accountability and the terms of this Policy. c. Each use of the term “Participant” in this Policy shall also include a Participant’s non-principal brokers and sales licensees (with the exception of references in this section to the “Participant’s consent” and the “Participant’s supervision and accountability,” and in section III.10.a, below, to the “Participant acknowledges”). Each reference to “VOW” or “VOWs” herein refers to all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an AVP. 2. The right to display listings in response to consumer searches is limited to display of MLS data supplied by the MLS(s) in which the Participant has participatory rights. This does not preclude a firm with offices participating in different MLSs from operating a master website with links to such offices’ VOWs. 3. Participants’ Internet websites, including those operated for Participants by AVPs, may also provide other features, information, or services in addition to VOWs (including the Internet Data Exchange (“IDX”) function). 4. The display of listing information on a VOW does not require separate permission from the Participant whose listings will be available on the VOW.

5. Except as permitted in Sections III and IV, MLSs may not adopt rules or regulations that conflict with this Policy or that otherwise restrict the operation of VOWs by Participants. **II. Policies Applicable to Participants’ VOWs.** 1. A Participant may provide brokerage services via a VOW that include making MLS active 2 listing data available, but only to consumers with whom the Participant has first established a lawful consumer-broker relationship, including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreement(s). 2. A Participant’s VOW must obtain the identity of each Registrant and obtain each Registrant’s agreement to Terms of Use of the VOW, as follows:

a. A Registrant must provide his or her name and a valid email address. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection c below). The Registrant may be permitted to access the VOW only after the Participant has verified that the email address provided is valid and that Registrant received the Terms of Use confirmation.

b. The Registrant must supply a user name and a password, the combination of which must be different from those of all other Registrants on the VOW, before being permitted to search and retrieve information from the MLS database via the VOW. The user name and password may be established by the Registrant or may be supplied by the Participant, at the option of the Participant. An email address may be associated with only one user name and password. The Registrant’s password and access must expire on a date certain but may be renewed. The Participant must at all times maintain a record of the name and email address supplied by the Registrant, and the username and current password of each Registrant. Such records must be kept for not less than 180 days after the expiration of the validity of the Registrant’s password. If the MLS has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of the data or a violation of MLS rules related to use by one or more Registrants, the Participant shall, upon request, provide to the MLS a copy of the record of the name, email address, user name, current password, and audit trail, if required, of any Registrant identified by the MLS to be suspected of involvement in the violation.

c. The Registrant must be required affirmatively to express agreement to a “Terms of Use” provision that requires the Registrant to open and review an agreement that provides at least the following: i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant; ii. That all data obtained from the VOW is intended only for the Registrant’s personal, non-commercial use; iii. That the Registrant has a bona fide interest in the

purchase, sale, or lease of real estate of the type being offered through the VOW; iv. That the Registrant will not copy, redistribute, or retransmit any of the data or

3

information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property; v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database. After the Registrant has opened for viewing the Terms of Use agreement, a "mouse click" is sufficient to acknowledge agreement to those terms. The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. The Terms of Use agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW.

d. An agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

3. A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about properties displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW. 4. A Participant's VOW must protect the MLS data from misappropriation by employing reasonable efforts to monitor for and prevent "scraping" or other unauthorized accessing, reproduction, or use of the MLS database. 5. A Participant's VOW must comply with the following additional requirements: a. No VOW shall display listing or property address of any seller who have affirmatively directed its listing broker to withhold its listing or property address from display on the Internet. The listing broker or agent shall communicate to the MLS that a seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listing or property address of a seller who has determined not to have the listing or address for its property displayed on the Internet. b. A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that conforms to the form attached to this Policy as Appendix A. The Participant shall retain such forms for at least one year from the date they are signed. 4 c. With respect to any VOW that: (i) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing, the VOW shall disable or discontinue either or both of those features as to the seller's listing at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Except for the foregoing and subject to subparagraph (d), a Participant's VOW may communicate the Participant's professional judgment concerning any listing. Nothing shall prevent a VOW from notifying its customers that a particular feature has been disabled "at the request of the seller." d. A VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the VOW operator beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The VOW operator shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for that property explaining why the data or information is false. However, the VOW operator shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment. e. Each VOW shall refresh MLS data available on the VOW not less frequently than every 3 days. f. Except as provided elsewhere in this Policy or in MLS rules and regulations, no portion of the MLS database may be distributed, provided, or made accessible to any person or entity. g. Every VOW must display a privacy Policy that informs Registrants of the ways in which information obtained from them will be used. h. A VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing broker, or whether the listing broker is a Realtor®. 6. A Participant who intends to operate a VOW must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with this Policy and any other applicable MLS rules or policies. 7. A Participant may operate more than one VOW itself or through an AVP. A Participant who operates a VOW itself shall not be precluded from also operating VOWs in conjunction with AVPs. 5 **III. Policies Applicable to Multiple Listing Services.** 1. A Multiple Listing Service shall permit MLS Participants to operate VOWs, or to have VOWs operated for them by AVPs, subject to the requirements of state law and this Policy. 2. An MLS shall, if requested by a Participant, provide basic "downloading" of all MLS non-confidential listing data, including without limitation address fields, listings types, photographs, and links to virtual tours. Confidential data includes only that which

Participants are prohibited from providing to customers orally and by all other delivery mechanisms. They include fields containing the information described in paragraph IV(1) of this Policy, provided that sold data (i.e., listing information relating to properties that have sold) shall be deemed confidential and withheld from a download only if the actual sales prices of completed transactions are not accessible from public records. For purposes of this Policy, “downloading” means electronic transmission of data from MLS servers to a Participant’s or AVP’s server on a persistent basis. An MLS may also offer a transient download. In such case, it shall also, if requested, provide a persistent download, provided that it may impose on users of such download the approximate additional costs incurred by it to do so. 3. This Policy does not require an MLS to establish publicly accessible sites displaying Participants’ listings. 4. If an MLS provides a VOW-specific feed, that feed must include all of the non-confidential data included in the feed described in paragraph 2 above except for listings or property addresses of sellers who have elected not to have their listings or addresses displayed on the Internet. 5. An MLS may pass on to those Participants who will download listing information the reasonably estimated costs incurred by the MLS in adding or enhancing its “downloading” capacity to enable such Participants to operate VOWs. 6. An MLS may require that Participants (1) utilize appropriate security protection, such as firewalls, as long as such requirement does not impose security obligations greater than those employed concurrently by the MLS, and/or (2) maintain an audit trail of Registrants’ activity on the VOW and make that information available to the MLS if the MLS has reason to believe that any VOW has caused or permitted a breach in the security of the data or a violation of applicable MLS rules. 7. An MLS may not prohibit or regulate display of advertising or the identification of entities on VOWs (“branding” or “co-branding”), except to prohibit deceptive or misleading advertising or co-branding. For purposes of this provision, co-branding will be presumed not to be deceptive or misleading if the Participant’s logo and contact information (or that of at least one Participant, in the case of a VOW established and operated by or for more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party. 8. Except as provided in this Policy, an MLS may not prohibit Participants from enhancing their VOWs by providing information obtained from sources other than the MLS, additional technological services (such as mapping functionality), or information derived from non-confidential MLS data (such as an estimated monthly payment derived from the listed price), or regulate the use or display of such information or technological services on any VOW. 9. Except as provided in generally applicable rules or policies (such as the Realtor® Code of Ethics), an MLS may not restrict the format of data display on a VOW or regulate the appearance of VOWs. 10. Subject to the provisions below, an MLS shall make MLS listing data available to an AVP for the exclusive purpose of operating a VOW on behalf of a Participant. An MLS shall make MLS listing data available to an AVP under the same terms and conditions as those applicable to Participants. No AVP has independent participation rights in the MLS by virtue of its right to receive data on behalf of a Participant, or the right to use MLS data except in connection with operation of a VOW for a Participant. AVP access to MLS data is derivative of the rights of the Participant on whose behalf the AVP is downloading data.

a. A Participant, non-principal broker or sales licensee, or AVP may establish the AVP’s right to receive and use MLS data by providing to the MLS a writing in which the Participant acknowledges its or its non-principal broker’s or sales licensee’s selection of the AVP to operate a VOW on its behalf. b. An MLS may not charge an AVP, or a Participant on whose behalf an AVP operates a VOW, more than a Participant that chooses to operate a VOW itself (including any fees or costs associated with a license to receive MLS data, as described in (g), below), except to the extent that the MLS incurs greater costs in providing listing data to the AVP than the MLS incurs in providing listing data to a Participant. c. An MLS may not place data security requirements or restrictions on use of MLS listing data by an AVP that are not also imposed on Participants. d. An MLS must permit an AVP to download listing information in the same manner (e.g., via a RETS feed or via an FTP download), at the same times and with the same frequency that the MLS permits Participants to download listing information. e. An MLS may not refuse to deal directly with an AVP in order to resolve technical problems with the data feed. However, the MLS may require that the Participant on whose behalf the AVP is operating the VOW participate in such communications if the MLS reasonably believes that the involvement of the Participant would be helpful in order to resolve the problem. f. An MLS may not condition an AVP’s access to a data feed on the financial terms on which the AVP provides the site for the Participant. g. An MLS may require Participants and AVPs to execute license or similar agreements sufficient to ensure that Participants and AVPs understand and agree that data provided by the MLS may be used only to establish and operate a VOW on behalf of the Participant and not for any other purpose. 7 h. An MLS may not (i) prohibit an AVP from operating VOWs on behalf of more than one Participant, and several Participants may designate an AVP to operate a single VOW for them collectively, (ii) limit the number of entities that Participants may designate as AVPs for purposes of operating VOWs, or (iii) prohibit Participants from designating particular entities as AVPs except that, if an AVP’s access has been suspended or terminated by an MLS, that MLS may prevent an entity from being designated an AVP by another Participant during the period of the AVP’s suspension or termination. i. Except as stated below, an MLS may not suspend or terminate an AVP’s access to data (a) for reasons other than those that would allow an MLS to suspend or terminate a Participant’s access to data, or (b) without giving the AVP and the associated Participant(s) prior notice and the process set forth in the applicable provisions of the MLS rules for suspension or termination of a Participant’s access. Notwithstanding the foregoing, an MLS may immediately terminate an AVP’s access to data (a) if the AVP is no longer designated to provide VOW services to any Participant, (b) if the Participant for whom the AVP operates a VOW ceases to maintain its status with the MLS, (c) if the AVP has downloaded data in a manner not

authorized for Participants and that hinders the ability of Participants to download data, or (d) if the associated Participant or AVP has failed to make required payments to the MLS in accordance with the MLS's generally applicable payment policies and practices. 11. An MLS may not prohibit, restrict, or impede a Participant from referring Registrants to any person or from obtaining a fee for such referral. **IV. Requirements That MLSs May Impose on the Operation of VOWs and Participants.**

1. An MLS may impose any, all, or none of the following requirements on VOWs but may impose them only to the extent that equivalent requirements are imposed on Participants' use of MLS listing data in providing brokerage services via all other delivery mechanisms: a. A Participant's VOW may not make available for search by or display to Registrants the following data intended exclusively for other MLS Participants and their affiliated licensees:

- i. Expired, withdrawn, or pending listings.
- ii. Sold data unless the actual sales price of completed transactions is accessible from public records.
- iii. The compensation offered to other MLS Participants.
- iv. The type of listing agreement, i.e., exclusive right to sell or exclusive agency.
- v. The seller(s) and occupant(s) name(s), phone number(s) and email address(es), where available.
- 8
- vi. Instructions or remarks intended for cooperating brokers only, such as those regarding showing or security of the listed property.

b. The content of MLS data that is displayed on a VOW may not be changed from the content as it is provided in the MLS. MLS data may be augmented with additional data or information not otherwise prohibited from display as long as the source of such other data or information is clearly identified. This requirement does not restrict the format of MLS data display on VOWs or display of fewer than all of the listings or fewer authorized data fields. c. There shall be a notice on all MLS data displayed indicating that the data is deemed reliable but is not guaranteed accurate by the MLS. A Participant's VOW may also include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability. d. Any listing displayed on a VOW shall identify the name of the listing firm in a readily visible color, and reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data. e. The number of current or, if permitted, sold listings that Registrants may view, retrieve, or download on or from a VOW in response to an inquiry may be limited to a reasonable number. Such number shall be determined by the MLS, but in no event may the limit be fewer than 100 listings or 5% of the listings in the MLS, whichever is less. f. Any listing displayed on a VOW shall identify the name of the listing agent. 2. An MLS may also impose the following other requirements on the operation of VOWs: a. Participants displaying other brokers' listings obtained from other sources, e.g., other MLSs, non-participating brokers, etc. shall display the source from which each such listing was obtained. b. A maximum period, no shorter than 90 days and determined by the MLS, during which Registrants' passwords are valid, after which such passwords must be changed or reconfirmed. 3. An MLS may not prohibit Participants from downloading and displaying or framing listings obtained from other sources, e.g., other MLSs or from brokers not participating in that MLS, etc., but may require either that (i) such information be searched separately from listings obtained from other sources, including other MLSs, or (ii) if such other sources are searched in conjunction with searches of the listings available on the VOW, require that any display of listings from other sources identify such other source. 9 EFFECTIVE DATE: MLSs have until not later than [90 DAYS AFTER ENTRY OF THE FINAL JUDGMENT] to adopt rules implementing the foregoing policies and to comply with the provisions of section III above, and (2) Participants shall have until not later than 180 days following adoption and implementation of rules by an MLS in which they participate to cause their VOW to comply with such rules.
