

EATING OUT IN LONDON

This booklet is designed to assist you in finding restaurants that accept the Luncheon Vouchers that are provided as part of your travel and performance programme.

We have included full restaurant service brands that provide a proper evening meal, but they are also accepted in many fast food restaurants, coffee shops and sandwich shops throughout London.

To assist you in finding a restaurant for your evening meal, we have provided you with the address, telephone number, nearest Underground station and map reference using the Visit Britain London street map provided in your welcome pack. Please also refer to the London Info Map, which can be used on the Google Maps app on your cell phone.

Remember, always check before you order your meal that the restaurant will accept your Luncheon Vouchers.

Enjoy your dinner!
