

Dear Sisters and Brothers in Christ,

Some are beginning to inquire about the re-opening of the church and the renewal of regularly scheduled events. As per the ongoing instructions of the President, Governor, and Bishop of the church, its services and all activities remain suspended until March 31st.

At that time we hope to receive updates from the responsible authorities that will inform us of any changes to the present closures. Once we know what is next we will advise you.

Until then remain calm. Stay safely indoors except for essential needs. Wash your hands, limit physical contact with others, pay attention to the possible onset of symptoms for yourselves and family, and contact your doctor as necessary.

Remember that all are being held in prayer.

If you need additional Pastoral care do not hesitate to call me. I will respond as best as I am able and within pandemic public safety guidelines.

God's Peace be with you all.

Pastor Burkhart

PLEASE NOTE: For information on updates, please call 717-637-5105. We will have updated messages on that line at all times.

For all other calls during working hours, please dial 717-637-5941.
