

STRATEGIC GOALS 2018					
Objectives to Accomplish Goals 2016	Increase Leadership, Collaboration, and Civic Engagement with community partners to better coordinate service delivery	Increase access to Stable and Affordable Housing	Increase Economic Security	Improve Health and Stability	Retool the Homeless Crisis Response System
	Promote leadership at all levels of government and across all sectors to inspire a commitment to preventing and ending homelessness	Provide affordable housing to people experiencing or at risk of homelessness	Improve access to education and increase meaningful and sustainable employment for people experiencing or at risk of homelessness	Integrate primary and behavioral health care services with homeless assistance programs and housing to reduce people's vulnerability and the impact of homelessness	Transform homeless services to crisis response system that prevents homelessness and rapidly returns participants to stable housing
	Strengthen the capacity of CoC organizations by increasing knowledge about homelessness, using data driven strategies, and successful interventions	Provide Permanent Supportive Housing to end chronic homelessness	Improve access to mainstream programs & services to reduce people's financial vulnerability to homelessness	Advance health and housing stability for unaccompanied youth experiencing homelessness & youth aging out of foster care & juvenile justice	Utilize a Centralized Intake System for grant funded programs such as PSH, RRH, and ESG, Outreach, Emergency Shelter.
	Maintain the Coordinated Entry System and implement a Centralized Intake System for CoC funded programs using HMIS.	Increase Rapid-Rehousing allocations through Federal & State funding resources including Challenge, ESG, and private funding.		Advance health and housing stability for people experiencing homelessness who have frequent contact with hospital and criminal justice	Ensure all CoC funded programs use Housing First and have low barriers to entry, the Coordinated Entry and Centralized Intake, utilize SPDAT, and accept the most vulnerable in both counties.
