### Medal Outlook

Traditional VA powerhouse Robinson has many new faces in the lineup, but would not surprise if some unheralded wrestlers find the medal stand. Stanford commit **Cole DePasquale** looks to defend his 2014 ETR title. Senior **Austin Riggs** competes for the 1st time at ETR and will be seeded in medal position. **Mason Rockman** is in consideration to be seeded and is a medal threat. **Kuber Bhardwaj** competes in a wide open weight class and could battle for a medal. **Sam Book**, **Brandon Greyson**, and **Tyler Hazard** could be wrestlers who surprise.
