AREAS OF COMPETITION

Attendance & Punctuality. Contestants are required to attend all rehearsals, Sponsors Meet & Greet Dinner and other scheduled events. Contestants must arrive on time and ready to participate.

Personal Interview. Each contestant participates in an individual 10-minute press conference-style interview with our panel of judges. Contestants are questioned on their background as presented on their resume, their educational and career goals, their opinions on current events and social issues, and their interests, hobbies and extracurricular activities. Scoring is based on validated opinions and responses in context, poise, personal appearance, personality, intelligence, style, emotional control, speech, vocabulary, grammar, knowledge, understanding, and ability to articulate her platform issue, and sense of accomplishment.

Self-Introduction/Walk. Each contestant will perform a self-introduction at the beginning of the Pageant. Scoring is based on overall first impression, poise, personality, emotional control, speech, vocabulary, grammar, and ability to have a confident and commanding presence.

Talent/Creative Expression. Contestants perform a timed routine of their own choosing. Some possible talents include all types of singing, dancing, gymnastics, instrumental music, monologues, baton twirling and other talents that can be performed solo. Scoring is based on contestant's talent selection and performance as it distinguishes both her skills and personality, interpretive ability, technical skill level (execution, technique, synchronization, control), stage presence and the totality of all elements (including costume, props, voice, use of body, and choreography).

Evening Wear. Each contestant appears on stage in a formal gown of her own choosing. Scoring is based on overall first impression, sense of confidence, personality and stage presence, walk and posture, carriage and grace, appropriateness of attire, sense of style, sense of attractiveness, beauty, and charm.

On-Stage Question. The On-Stage Question phase of competition is comprised of questions of a general nature and will be neither platform-related nor something taken from the private interview. Scoring is based on overall first impression and the judges should ask themselves:

1. Did the contestant answer the question in the context in which it was asked?
2. Can she handle the pressure of speaking on stage in front of an audience?
3. Will young people see her as a role model who is reflective of today's generation?

Platform Overview. Each contestant chooses an issue of importance to her and her community. Each contestant is evaluated on her commitment to her chosen issue. Examples of platform issues are: child advocacy, volunteerism, domestic violence, literacy, diabetes, awareness, eating disorders, and homelessness.
