<p align="center"><b>Week 1</b> June 24th - June 28th</p>	<p><b>You've Got a Friend in Me:</b> Come and be part of the Golden Learning Summer Camp family. During our first week of camp, the campers will get to know one another and all of the staff. The week will include family oriented activities, getting to know you activities, and making new friends.</p>	<p><b>Origami</b> Learn about the amazing Japanese art of paper folding. Create amazing works of art in the old tradition.</p>
<p align="center"><b>Week 2</b> July 1st - July 3rd</p>	<p><b>Red, White, and Blue</b> During 4th of July week, you will learn important facts about the veterans who have served our country, participate in activities that honor our veterans, and understand what it is like to be part of the United States of America. Community service hours will be available for this class.</p>	<p><b>More Than Meets the Eye</b> They say that one man's trash is another man's treasure. This week we will be taking something old and revamping it into something new.</p>
<p align="center"><b>Week 3</b> July 8th - July 12th</p>	<p><b>Forces of Nature</b> Mother Nature has a temper, and she displays it throughout the world. Discover tornadoes, hurricanes, earthquakes, tsunamis, volcanoes, and wildfires. Create some of these forces right in the classroom and discuss both the science of the force and its impact on the world.</p>	<p><b>Around the World</b> You will learn about a new country every day including the customs of their people, their foods, weather, geography and much more. You may even learn about the country of your ancestors.</p>
<p align="center"><b>Week 4</b> July 15th - July 19th</p>	<p><b>Nerf</b> Nerf Wars! Campers will be engaging in friendly battles using their Nerf games. We welcome you to bring in any Nerf battle devices you have at home. Campers will have to protect themselves by building forts and battle vests for protection during the week!</p>	<p><b>Boys &amp; Girls</b> No girls allowed! From survival tips and looking under rocks to building and breaking things and outdoor activities, this week will have no down time doing all the things that boys love. Bring your imagination and get ready to have some fun! No boys allowed! Crafts, games, a spa day and lots of bonding are what you can expect in this class. Girls will love spending the day in their PJ's at the "Slumber Party" where we will relax with movies, snacks, and just enjoy being a girl.</p>
<p align="center"><b>Week 5</b> July 22nd- July 26th</p>	<p><b>Ancient Egypt</b> Travel back in time and learn the impact Ancient Egypt had on our Western traditions today. Egyptian imagery, concepts, and perspectives are found everywhere; you will find them in architectural forms, on money, and in our day to day lives. Review hieroglyphics, pyramids, math concepts, and geography along your travels.</p>	<p><b>STEM</b> This class will engage students in design and engineering challenges that show them just how fun and relevant science, technology, engineering and mathematics (STEM) is to their world. To help battle the school break called summer, we keep those STEM skills fresh and ready to go. We put together a list of super (and FUN!) STEM activities that campers will love- and not even realize they are learning something!</p>
<p align="center"><b>Week 6</b> July 29th - August 2nd</p>	<p><b>Sports Sampler</b> Enjoy a week of friendly activities and sports themes through the week and show your competitive side. Campers will have a chance to bring outside games and sports memorabilia this week. Challenges and fun will be had all week!</p>	<p><b>Talent</b> Campers will show off their talent by creating skits and plays during the week. Show off your talent, skit, and/or play at the end of the week either individually or with a group.</p>
<p align="center"><b>Week 7</b> August 5th - August 9th</p>	<p><b>Legos: Everything is Awesome!</b> Learn to problem solve using Legos. In all cases you will be encouraged to think "outside the box", experiment, test, and improve on solutions to various problems that are presented.</p>	<p><b>CSI</b> Calling All Detectives! Your sleuth opportunities await you during the week of CSI. Campers will engage in activities of problem-solving, investigation, and detective work to crack the code and uncover the mysteries of the week.</p>
<p align="center"><b>Week 8</b> August 12th - August 16th</p>	<p><b>I Like To Move It, Move It!</b> As our adventures come to an end, let's celebrate and remember all the wonderful times created as we made new friends.</p>	<p><b>Wild Card</b> Campers will choose their favorite part of camp and recreate it as their final curtain call of camp this week.</p>
