Michael Caputo - Pres.
Branch Restoration

Dear Mr. Caputo,

I would like to thank you and your staff for the excellent restoration work performed at my home. After a flood situation encompassing all 3 floors of my home I was referred to Branch by

Hartford Insurance, Mike Ruggiero.

Your staff, headed by

Brian Roberts, amazing man of many skills, his crew, and all of the workmen, painters, wallpaper, carpet layers, clean up crew were not only efficient and skilled but made a very stressful situation less stressful by being as pleasant as can be while working in our home.

I have also conveyed my comments about Branch's work to Mike Ruggiero and Ryan McFarlane of Hartford.

Sincerely,
Ralph Barash
