

PATENT SUMMARY

BEAMZ INTERACTIVE, INC.

(August 2017)

Beamz' current IP portfolio includes ten (10) Issued U.S. Utility Patents, 3 Issued foreign patents, 2 U.S. pending patents, and 2 foreign pending patents. The core assets in the portfolio have a priority date of August 2001 which is years before other companies began filing patents on truly sympathetic music technologies. This portfolio includes two recently issued virtual reality specific patents and one pending virtual reality gaming patent. An international PCT application covering the virtual reality technology was filed in July 2017. The current patent list includes the following:

	Title	Priority Date	Issue Date	Exp. Date
US 6,960,715 (Claims priority on provisional 60/312,843)	Music Instrument System and Methods	2001-08-16	2005-11-01	2023-04-21
US 7,504,577 (Divisional of 6,960,715)	Music Instrument System and Methods	2001-08-16	2009-03-17	2027-07-11
US 7,858,870 (Continuation of 6,960,715)	System and Methods for the Creation and Performance of Sensory Stimulating Content	2001-08-16	2010-12-28	2027-11-10
US 8,178,773 (CIP of 7,858,870)	System and Methods for the Creation and Performance of Enriched Musical Composition	2001-08-16	2012-05-15	2021-08-16
US 8,431,811	Multi-media device enabling a user to play audio content in association with displayed video	2001-08-16	2013-04-30	2021-11-01 <i>(Extended by 77 days)</i>
European Patent EP 2678859 Validated in UK and Germany	Multi-media device enabling a user to play audio content in association with displayed video	2001-08-16	2016-08-31	2031-02-22

Patent Number	Title	Priority Date	Issue Date	Exp. Date
US 8,835,740 (CIP of 7,504,577)	Video Game Controller	2001-08-16	2014-09-16	2031-03-06
Canada 2,769,517	Video Game Controller	2009-09-19	2017-07-18	
US 8,835,739	KEYSTROKE AND MIDI COMMAND SYSTEM FOR DJ PLAYER AND VIDEO GAME SYSTEMS	2012-02-01	2014-09-16	2032-08-20
European App. 13703267.8	Keystroke and MIDI command system for DJ player and video game systems	2012-02-01	Pending	
Australia 2013215460	Keystroke and MIDI command system for DJ player and video game systems	2012-02-01	2017-06-01	
US 8,872,014	Multi-media spatial controller having proximity controls and sensors	2001- 08-16	2014-10-28	
US Pat. App. 14/088,178	Apparatus and Method for Multilayered Music Playback	2013-08-08	Response/RCE filed 9/1/16	
US 9,542,919	Cyber Reality Musical Instrument and Device	2016-07-20	2017-01-10	2036-07-16
US 9,646,588	Cyber Reality Musical Instrument and Device	2016-07-20	2017-05-09	2036-07-16
US Pat. App. 15/483,910 (CIP of 15/402,012)	Cyber Reality Device Including Gaming Based on a Plurality of Musical Programs	2017-04-10		
PCT US/17/42671	Cyber Reality Device Including Cyber Reality Musical Instruments and Devices, and Gaming Based on a Plurality of Musical Programs	2017-07-18	2016-07-20
