

Tent Set Up Info

For those expressing interest in display space/pit areas at our USA BMX events. Like in years past, spaces will be available on a priority basis, utilizing the same criteria established for USA BMX national series events. This system has worked well for many years, Sponsors and vendors will have first priority. Then major advertisers, advertisers, and people that have reserved a space by paying a fee will be first to receive spaces.

A USA BMX representative will determine size and space assignment location at our events. ***THERE WILL BE ABSOLUTELY NO SELLING OF ITEMS, SAMPLING PRODUCTS, RAFFLES, or FUND RAISERS IN YOUR SPACE.***
