Fabiola Alamilla

Christina Escobar

Rich Robertson

The 17th annual Children's Day Celebration has been scheduled for April 15, 2017. The Children's Day Celebration is one day annual event to honor our children of kindergarten, primary, elementary and middle school ages, held in Johnson Park from 10:00 am to 4:00 pm. This is not just any annual event; this is a special day of joy for children. A day they look forward to every year, just like we look forward to Mother's Day or Valentine's Day. This event features a day of learning, activities, food, sports and entertainment. Emphasize to the community that children need more than just an education; they should also be exposed to the concepts of spirituality and morality, for they are our future. Activities include, but are not limited to arts & crafts, children's entertainment, learning centers on animal care, fire safety, crime prevention, scouting, music education, healthy nutrition, martial arts, youth talent show, variety of games & more. This Celebration is completely free of charge to all children.

Community organizations, schools, churches, businesses and individuals all work together to make this a fun filled day. There are many areas and opportunities for you to be involved and to serve the young people in our community. We would be honored and excited to have your organization participate in this event by any form of sponsorship, making a cash donation, having a booth or learning center for the children to visit, teaching a specific cause or area of interest promoted by your organization. Any informative brochures or hand outs are also encouraged. We hope you will become involved in helping us show our children how special they are.

If you should need any additional information, or if you have any questions, please feel free to give me a call or email to childrensdaytx@gmail.com. I look forward to hearing from you and to your participation in this event.

Sincerely,

Ely Banuet Rodriguez

Founder/President of Children's Day Celebration
