THE CODE OF CREATION

YESHUA HIDDEN IN THE MIDTH OF GENESIS 1:1

According to Bible code searchers, the best medium for identifying codes in the Bible is in the original Hebrew as it is the direct form of the written Word given to Moses by YHVH. However the rest of the Bible that is the Prophets is not normally utilized by the Jewish code searcher to examine codes. The main reason that the Rabbis avoid the Prophets is that the codes will clearly reveal a plethora of Axis, ELS terms and in the plain text of the name Yeshua that is rendered Jesus. Some such cases are below. The finding is not original as it these 2 Bible codes showing Jesus in the Old Testament attest to the revelation of the Messiah, Yeshua hidden in the beginning of Creation.

These word association and Menorah pattern confirm, without a doubt the attributes that will clearly distinguish the terms that only Jesus of Nazareth could have been associated with. This is another item of debate within the Bible code searchers, mainly Jews vs. Christians in the interpretation of who is Jesus. Jesus Himself stated that the Scriptures attest to Him. In the book of Revelation, Jesus entitles Himself with being the Beginning and the End. In the original Greek it is the Alpha and Omega. As a 'servant' not to be seen, Jesus is 'hidden' or veiled in plain sight within Creation, right in the midst of the verse of 7 words like a Menorah.

Behold, I am coming soon, bringing My Recompense with Me, to repay each one for what he has done. I am the Alpha and the Omega, the First and the Last, the Beginning and the End (Alef and Tav).' -Revelation 22:12-13

<u>'I AM</u> – the Alef ★ and the Tav **л** The Beginning and the End'

The second word in the 'Creation code' infers a Creator. In Colossians 1:16, the New Testament declares that it is indeed Jesus who is the Creator. 'For by Him (Yeshua) ALL things were created that are in Heaven and that are on Earth.' The 3 character word בָּרָא is made up of the Beyt that in Paleo-Hebrew was depicted as a house or tent. The second letter was the Resh. It denoted a man's head to infer a 1st rank or sequence order.

> אֹלהִים אֶת הַשּׁמִּים הַאַרֶץ ואת בּראשׁית created In the Beginning the Earth. and the Heaven (silent) GOD

Thus the term 'creator' can be simplified to it pictorial core that means 'GOD the SON' or The 'Son of GOD'. Literally the 'code' of Creation can be read as the following,

'In the Beginning, GOD the SON, GOD, The Beginning and the END (Jesus) created the Heavens and the Earth.'

Every 50th letter count code, a Jubilee type of return.

Exodus Leviticus Numbers Deuteronomy Genesis

Weissmandel noticed that if one took the first letter 'T' in the book of Genesis and counted 50 letters consecutively, the word Torah would be spelled out; TORH in Hebrew. Weissmandel called this type of pattern an Equidistant Letter Sequence, or ELS for short. This also occurred in Exodus but in Numbers and Deuteronomy, Weissmandel found the Torah ELS occurred backwards (HROT) using the same 50 letter intervals. The center book was Leviticus that highlights the Priesthood of YHVH.
