

2nd Sunday after the Epiphany January 17, 2021

Communion- St. Paul reminds us to examine ourselves before taking the Lord's Supper. Communicants are required to be members of a Lutheran Church-Missouri Synod Congregation. We do this out of pastoral concern and in Christian love. If you have any questions, please see Pastor before worship. Thank you.

Please complete the attendance card and drop it in the baskets provided during communion or on your way out of church. Thank you.

"Epiphany is one of the oldest seasons in the Christian Church Year, second only to the Easter season. This season of lights emphasizes Jesus' manifestation (or epiphany) as God and man. When the Gentile Magi come to worship Jesus, they show that now everyone has access to God. Now all people, Jew and Gentile, can come to God's temple to worship, because Jesus is the new temple: God in the flesh." Thanks be to God!

"Abortion isn't something happening in another state or county or city. It is happening right in our backyards. And now we know many [who have had abortions] attend churches regularly and are sitting in our church pews looking for answers. May the Lord provide the answers needed to send a message of hope and forgiveness as well as proclaiming abortion to not be in God's will." *Virginia J. Flo, Minnesota Regional Director & National Conference Director for Lutherans For Life – A Life Quote from Lutherans For Life •*

Building Healthy Families: "She put the needs of her child above the wants of her heart...", lovingly said by an adopting parent about their son's birth mother. The pregnancy counseling and adoption ministry of Lutheran Family Service has witnessed this selfless act of love on the part of thousands of birth families for nearly 120 years. If you know of someone who is experiencing an unplanned pregnancy, help them connect with a pregnancy counselor to talk about their options. Be their link to a positive future for themselves, their child, and a couple ready and willing to walk with them on the journey of adoption. All services to birth families are provided at no cost, thanks to partnerships with people like you. On behalf of the families served...thank you!
