*Concert bands will begin rehearsing on Monday, October 31.*

**All bands have a rehearsal on Saturday, January 7, 2017. This is required—make sure you adjust work schedules accordingly. Specific times will be announced next week.**

Sections are listed in point order, with those receiving the most points listed first. \*'s indicate section leaders. *Individual players will be moved within the section or to a different band at any time during the year to match the performance of the individual or to meet the needs of the music.*

*We will instituting a “challenge system” this year. Details will be given next week. At specified times throughout the year, individual members will be eligible to challenge one or two chairs ahead.*

Now is the time to start preparing for superior concert performances, and for sophomores and juniors to think about next year’s auditions when we will need to have three concert bands (hint: practice scales daily).

We are eager to get started on superior performances for all three bands!
