

Family T.I.E.S. Beliefs:

- Education begins at birth.
- Learning takes place in a variety of natural settings.
- Children are active, curious learners.
- Each child has unique strengths and needs.
- All families have a diverse range of strengths, needs, and priorities.
- Parents are the child's first, best, and most important teacher.
- All children need and deserve adults in their lives who are loving, kind, and provide a safe environment.

Family T.I.E.S.

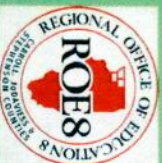

Our program is funded by the Illinois State Board of Education.

Our Mission:

Our mission is to empower parents to be the best teachers they can be; to motivate families to make responsible choices and decisions; and to help prepare their child for a successful school experience.

All services are **FREE!**

Family T.I.E.S Services Include:

Personal Visits:

Parent Educators provide age-appropriate child development, parenting information, and fun parent-child activities easily done in the home.

Group Connections:

Play groups are offered to learn and support each other, as well as experience safe and positive interactions with other children.

Developmental Screenings:

Children are screened on a regular basis to ensure overall development. This helps ensure children will be ready to learn when they are school age.

Resource Network:

Parent educators will share various resources with parents to help support their children.
