Comment [GK1]: Include the Delta channel or channels as identified under your water rights

Include following statement under Additional Remarks:

Regarding responses to questions 8i through 8t: According to the 1981 Contract between CA Department of Water Resources and North Delta Water Agency diversion and use of water is limited to reasonable and beneficial use. Article 8.(a)(ii) of the Contract states in part "the State recognizes the right of the water users of the Agency to divert from Delta channels for reasonable and beneficial uses for agricultural, municipal, and industrial purposes" and further "that the State shall furnish such water as may be required within the Agency to the extent not otherwise available under the rights of water users." All diversions and use reported under this water rights were for reasonable and beneficial purposes.
