- Pack the item(s) securely. All returned products should be in the condition they were received in, as well as in their original manufacturer's packaging. We require at least 2 inches of large bubble wrap to protect your child id system in shipping. If you do not have the original package remember to use plenty of bubble wrap / foam / cushioning material. *(see photo below)*.
- Please include the return form below with a copy of your receipt.
- If you are sending back an entire EZ Mobile ID system make sure you have plenty of bubble wrap on the inside of the case to protect the computer and the printer. *(see photo below)*
- Send your package insured. (Please note that shipping charges cannot be refunded). If we receive your child id unit or component and it has physical damage it will not be covered under warranty.
