The Orcutt Children's Art Foundation's 12th Annual Gala will take place on Saturday, February 21, 2015 at the Santa Maria Country Club and is our major fundraiser. The Gala has always been a success because of the wonderful community support of businesses and individuals. Promotion of this event throughout the Orcutt Union School District, local businesses, and through news media, etc. will readily assist us to meet our goal of 200 attendees. The 11th Annual Gala was sold out and the event was a smashing success!

Keeping art in education is our mission and it has never been more important. The children in our district today will be the leaders, business owners, and educators of the future. The benefits of art in education enhance more than just intrinsic appreciation of the arts. Collaboration, communication and creativity are just a few skills developed while learning about the arts.

This year, we are looking for sponsors to offset the expense of this wonderful fundraising event. The attached sheet will explain the different levels of sponsorship at which you can participate. With a limited number, however, we encourage you to respond quickly as it is on a first come, first served basis. This will ensure prime placement of our sponsors.

Should you have questions, please do not hesitate to call. I can be reached on my cell phone 714-0352.

Thank you for your consideration.
