Barrio Planta Project

The Barrio Planta Project (BPP) empowers the children and youth of San Juan del Sur, Nicaragua, through free supplementary schooling to more than 120 students ages 4-18 years old. BPP focuses on instilling Creativity through classes in the arts, enhancing Confidence through performance-based activities such as fitness and dance, and promoting international Communication through English and computer literacy skills. We host weekly dinners, monthly field trips, an annual theater workshop, and both long and short-term volunteers are important driving forces that make our programming possible.

Be a CHAMPION

To say thanks, we will post a customized poster embedded with your name or logo on our social media pages and website.

SPONSOR A COMMUTER
\$15/mo

Some of our students who live out of town cannot afford the \$0.75 daily cost of public transit. When you Sponsor a Commuter, you pay the bus fares for one of our students, granting them access to our program.

SUBSIDIZE A STUDENT
\$30/mo

BPP is a free school, but there are still costs associated with bringing our classes to reality. When you Subsidize a Student, you will receive 2 packages a year from your selected student, including photos, hand written letters, and copies of their progress reports.

SPONSOR PERFECT ATTENDANCE FIELD TRIPS

Each month, students with perfect attendance are rewarded with a field trip to an action sports resort for swimming, volleyball and skateboarding. Sponsorship covers use of the facilities, transportation, and lunch for over 40 students. *Currently fully sponsored.*

SPONSOR STUDENT OF THE WEEK DINNERS

Every Friday, one student from each of our 11 English classes is recognized for their hard work and dedication. Restaurants in town alternate weeks by sponsoring dinners for the students and their teachers. *Currently fully sponsored.*

Be a SUSTAINER

In addition to social media recognition, you will receive a handprint on our Hero Wall and a write-up in our monthly newsletter.

SPONSOR A STUDENT \$100/mo

If BPP charged tuition, the estimated cost would be \$100/month. When you Sponsor a Student, you sustain our programming by covering all of the expenses associated with enrollment. Your student will be selected based on merit, and you will receive 2 packages a year, including hand written letters, photos, and copies of their progress report. In addition, sponsors also receive a handprint on BPP's Hero Wall at our school in San Juan del Sur, and a donor appreciation article in our newsletter.

SPONSOR AN ELECTIVE CLASS \$200/mo

Each year we offer Computer, Fitness, Art, and Dance classes on Tuesdays and Thursdays, in addition to various semester-long courses. When you Sponsor an Elective Class, you cover all of the expenses associated with delivering that class. You can bring computer literacy to over 100 students, regular physical activity into the routines of youth, or professional art classes to a community with a budding artisan industry.

SPONSOR PERFECT ATTENDANCE DINNERS

Every Thursday, students with perfect attendance that week are rewarded with a nutritious meal after class. Students look forward to the occasion, and play energetically in the courtyard with their dishes and dinner tickets in hand. When you Sponsor Perfect Attendance Dinners, you provide approximately 160 meals to students each month, and reinforce the importance of dedication. *Currently fully sponsored.*

SPONSOR FITNESS & COMPUTER CLASSES \$400/mo

Each year we offer Computer and Fitness classes on Tuesdays and Thursdays. Computer literacy enables students to communicate at an international level and acquire workplace relevant skills, while Fitness classes bring regular physical activity into the routines of youth. When you Sponsor Fitness & Computer Classes, you cover all of the expenses associated with delivering those classes to over 100 students.

SPONSOR OUR SCHOOL BUILDING \$500/mo

Without a physical building and maintenance of the grounds, we would be unable to deliver classes to students. Our beautiful building, rich with history and culture, has three classrooms, an office, an open courtyard that supports classes and activities, a stage area for theatre production, and a grassy area out front that we've converted into a playground and vegetable garden. When you Sponsor our School Building, you ensure this area is a clean and safe space for our students.
