

Appendix C

Application for
Architectural Design Committee

A pre-application meeting with the Architectural Design Committee is available if desired by the Applicant to review the Design Guidelines and to answer Applicant questions. The Committee will review an application when it is complete, i.e. when all required drawings, information, materials and the application have been submitted. Please contact the Committee if you have additional questions.

Application Date _____ Home Site Number: _____
Type of Review Requested _____ Preliminary Design _____ Remodel or Addition
_____ Final Design _____ Miscellaneous
_____ Landscape Design

A. Project and Team Identification

1. Applicant's Name: _____
Mailing Address _____
Telephone Number _____
E-mail Address _____

2. Lot Number: _____
Lot Address _____
Assessor's Parcel No _____

3. Project Description: _____

4. Property Owner _____
Mail Address _____
Telephone No. _____
E-mail Address _____

7. Landscape Arch. _____
Mail Address _____
Telephone No. _____
E-mail Address _____

5. Builder _____
Mail Address _____
Telephone No. _____
E-mail Address _____

8. Civil Eng. _____
Mail Address _____
Telephone No. _____
E-mail Address _____

6. Architect _____
Mail Address _____
Telephone No. _____
E-mail Address _____

9. Other _____
Mail Address _____
Telephone No. _____
E-mail Address _____

Home Site Number: _____

B. Project Information

1. Home Site / Lot Area _____

2. Building Pad Area _____

3. Floor Area Ratio

• Allowed _____

• Proposed
First Floor _____

Second Floor _____

Enclosed Crtyards _____

Subtotal _____

Garage _____

Subtotal _____

Ancillary Structures (Type and area)

Subtotal _____

Total Proposed _____

4. Building Pad Coverage

• Proposed _____

5. Number of Parking Spaces

• Enclosed _____

• Unenclosed/Visitor _____

Total _____

6. Number of Bedrooms _____

7. Number of Bathrooms _____

8. Building Height _____

C. Building Materials

Home Site Number: _____

	Type of Material	Product, Specification, Color, etc.
1. Walls		
• Primary Material	_____	_____
• Secondary Materials	_____	_____
