To the pastor of the prospective team member:

Your parish member is applying to be a part of a team of lay Christians who will conduct a three-day Journey weekend for candidates who are sponsored to attend. The purpose of a Journey weekend is to nurture and support individuals in a growing understanding of God's will and work for them in the world.

The primary objectives of the Journey for the Diocese of Helena are to develop in Catholic adult Christians a consciousness of their power and mission to become active disciples of Jesus first of all, and leaders in the work of Christian renewal; to sustain them as they participate in diocesan and parish programs, and as they provide a Christian leaven in civic, social and economic life. The purpose of the movement is to make Christian community possible in neighborhoods, parishes, work situations and the other places where people live the greater part of their lives. It attempts to make it possible for anyone in the world to live a Christian life in a natural way.

I know the applicant and she/he is a member of my parish:
