**Subject:** Owner/lessee contact information for facilities served with on-site wells at the East Hampton Airport

Supervisor Cantwell,

We understand there may be properties that are located at the Town of East Hampton Airport that may be served with private wells. If so, SCDHS would like to contact these property owners to schedule an appointment to sample the wells as needed.

Would it be possible for the Town to provide us with the owner contact information and the number and location of any on-site wells at the East Hampton Airport?

Thank you,  
Christina
