Categories are split into 2 main categories, tracked and non-tracked. The categories are based on the year the vehicle was manufactured or assembled. If required, there are sub-categories, and a vehicle must be in the category to be eligible for the award. Please note that the responsibility of the entry remains with the exhibitor and manufacturer and is not the responsibility of the organizing committee.

**2015 INTERNATIONAL CONVENTION**

The display board features a detailed floor plan of the convention venue, color-coded by room or area. To the right of the map is a multi-column schedule or list of events, with each row corresponding to a specific time slot and activity. The board also includes various logos and promotional text for the event.
