Welcome 2022

We are very excited to be running a full series this season at the Hollywood Hill Saddle Club. Before the season starts, we have some work to do on the facilities. Unfortunately, we are unable to host an Easter Egg Hunt for our community this year, but we have a few fun new events planned to make up for it. As always, a big warm thank you to all our volunteers, who we are looking forward to helping us put on a fantastic season!

Work Parties

For the first time in two years, we are hosting our two annual work parties this weekend April 9th and 10th starting at 10am. These work parties are essential to get the facilities ready for our upcoming events. We have a wide range of tasks that need to be completed, perfect for any age or skillset. This is an excellent opportunity to start earning your membership hours to qualify for year-end awards. Come for an hour or stay all day!

Membership

Membership forms are available on the website for 2022, as well as a master list of all members who have purchased a membership already.

HHSC Arena

Due to the intense amount of rain, we decided to close the arena for the off season. This was to let the sand rest so we can continue to maintain the arena to its best potential. We are anticipating a new load of sand for the main arena and warm up arena before the season starts. The front parking lot will also be re-graded and re-graveled. We're honored to be a welcoming spot for the whole community and to continue to improve the park for visitors.

Doug Carl Donations

HHSC is hosting another Doug Carl Memorial Show on July 31st. The influx of personal donations is very much appreciated and encouraged as prizes are still being purchased. All proceeds from the event get donated to the Pancreatic Cancer Action Network. If you are interested in donating, please contact Shari Crichton (425-879-0086).

Volunteering

Jane Ward is looking for volunteers to help at the cook shack this season. There are all kinds of positions needed and it's an excellent opportunity to meet members! Contact Jane Ward (206-962-1393) if you're available!
