Long-Bell

Dear Long-Bell Old-Timer:

The Ryderwood History Project, Inc. (RHP) invites the Long-Bell Old-Timers and all who are interested in Ryderwood's past to join and support the Project's mission to collect, preserve and share Ryderwood's unique history. The enclosed brochure illustrates and describes some of the group's efforts. Learn more at ryderwood.org/RHP.

It is hoped that you will be able to attend this year's Long-Bell Old-Timers Reunion on Sunday August 26th. See the schedule of planned activities in the box to the left. RHP, Inc. chose that date (the 4th Sunday in August) for its Annual Meeting so that as many Long-Bell families as possible could attend. *Contacts are: June Strovas (360-430-1649), Sally-Gene DeBriar (360-295-3217) and Bill Greear (360-880-3555).*

The Project works closely with the Cowlitz County Historical Museum, the Cowlitz County Historical Preservation Commission and the Historic Association of Lower Columbia, which includes area museums and other resources. The brochure is the result of these collaborations.

All RHP members will receive a quarterly newsletter marking the progress of the Project and a 20% discount on items available in the Gift Shop section of the RHP webpage. Renewals will be due annually on the 4th Sunday in August.

Hope to see you at the Reunion!
