GOLD KNIGHTS

(MIGHTY MITES)

Head Coach Jay Concepcion and his coaching staff are excited to see the progress made each week by our youngest Knights. The Mitey Mites have several athletic players this season and they are all eager to learn the fundamentals of football and show everyone that although they're small, they are as tough as they come! So get up bright and early, grab you coffee and come out to support the Gold Knights!!

SILVER KNIGHTS

(JR PEE WEES)

Slayer of the Game: Isaiah DeLuna

An outstanding performance by QB **Isaiah DeLuna** catapulted the Silver Knights into a 13-6 win over the visiting EYAC Pirates. The offense showed up strong with several completed passes from DeLuna including some to **Ezekiel Medina** and **Skyden Shugan**. Long runs were seen all over the field to set up the two touchdowns, one by **Esam Samson** and the quarterback sneak by DeLuna. The defense held the Pirates to just one TD with notable defensive performances from **Tu'unahala Leao** and **Gabriel Garcia**.

WHITE KNIGHTS

(PEE WEE)

Slayer of the Game: Colby Thomas

Head Coach Reynard Elsey is back for another season, this time leading our PeeWee White Knights to an impressive season opener. Their first game was a nail-biting win over the Pirates. A strong defensive effort, lead by **Colby Thomas** held the Pirates to just one touchdown. And a stellar performance by the offensive line proved to be important as they opened up holes and provided opportunity for **Taashaun Lyons** to score 2 touchdowns giving the White Knights a 12-7 victory!

GREEN KNIGHTS

(JR MIDGETS)

Slayer of the Game: Adolph Sykes

Although they fell short for the win, the Green Knights battled until the final buzzer in Saturday's game against EYAC. Running Back **Adolph Sykes** scored the teams only TD that showed on the scoreboard. The defense was impressive causing several fumbles, one major by **Abraham Tabellija**. The following week, the Green and Black Knights were honored with the opportunity to play an exhibition "Thursday Night Lights" game against the California School of the Deaf. This game proved to be full of life lessons as our boys were blessed to experience that although the other kids communicate in a very different way, they have just as much love and passion for football!

BLACK KNIGHTS

(MIDGETS)

Slayer of the Game: Tana Togiola & Jesse Tovar

Your Black Knights are expected to be a dominate force this 2016 season. This team is led primarily by a majority of return players, some of which have played football together at the Knights for nearly 5 seasons or more. In what will be his last season here at the Knights, **Jesse Tovar** lead his team in scoring during the Black Knights 29-0 shutout win over EYAC. Tovar scored 2 Touchdowns and kicked a 2 point conversion through the uprights. The offensive line held it strong with a standout performance by returning player **Jimmie Le**. **Tana Togiola** anchored the defensive line causing major disruption in the middle to send the Pirates paddling. **Alo Mata'u** contributed as well on offense with a TD with seconds left in the first half and on defense with several tackles throughout the game.
