## FOR MORE TRAVEL FUN AND ADVENTURE — JOIN AN AVION TRAVELCADE

Travelcades are capturing the imagination of the travel-minded American. Here is a delightful, leisurely way to see so many interesting places — all in the company of friendly people just like yourself. Why not investigate this new idea in tourism. Send for details of Avion's next scheduled TRAVELCADE®.

**Every inch insulated** — between Avion's riveted seams, blankets of thick plastic-treated Fiberglass insulation are installed by experienced workmen.

**Featherlight, tough-skinned aluminum** forms the exterior shell — making your Avion stronger, weather resistant, maintenance-free and fireproof.

**Skilled craftsmen** in this precision equipped woodworking shop create cabinets that are a pleasure to use and a joy to own — wherever you travel!

**Disappearing step** — Pull it down for easy entry and exit. Push it up and it's out of the way — recessed above the under-carriage for obstruction-free road clearance.

**Combination bumper and sewer hose carrier** — heavy-duty tubular steel bumper stores flexible sewer hose, too. Continental tire mount (optional) saves tire storage space.

**New combination door and screen** — Full size hinged screen door swings open, keeps insects outside. Latches easily to main door when desired. Provides more interior living space.

**Custom engineered** — Septic Tank takes the "roughing it" out of wilderness travel. Sixteen gallon Fiberglass tank allows user to flush marine stool approximately 30 to 40 times before draining.

**\*NORCOLD Gas Refrigerators** — the world's finest automatic mobile refrigerator . . . brilliantly constructed of stainless satin finished aluminum with amazing thin wall insulation.

\*NOW — as a standard feature, the exterior aluminum on all AVION TRAILERS is a strong, hard electro-anodized surface. This is the very same surfacing applied to the exteriors of today's modern schools, office buildings and skyscrapers! By a simple wash, you can maintain the finish and enjoy its clean and satin bright appearance.
