### School is Open & Pedestrian Traffic is Up!

Students are back in school and that means lots more kids and families walking back and forth to our neighborhood schools.

Please be aware of them and use caution. Please help them to be safe by trimming all bushes and trees that may keep them from using sidewalks or prevent you from seeing them as you are pulling out of your driveway.

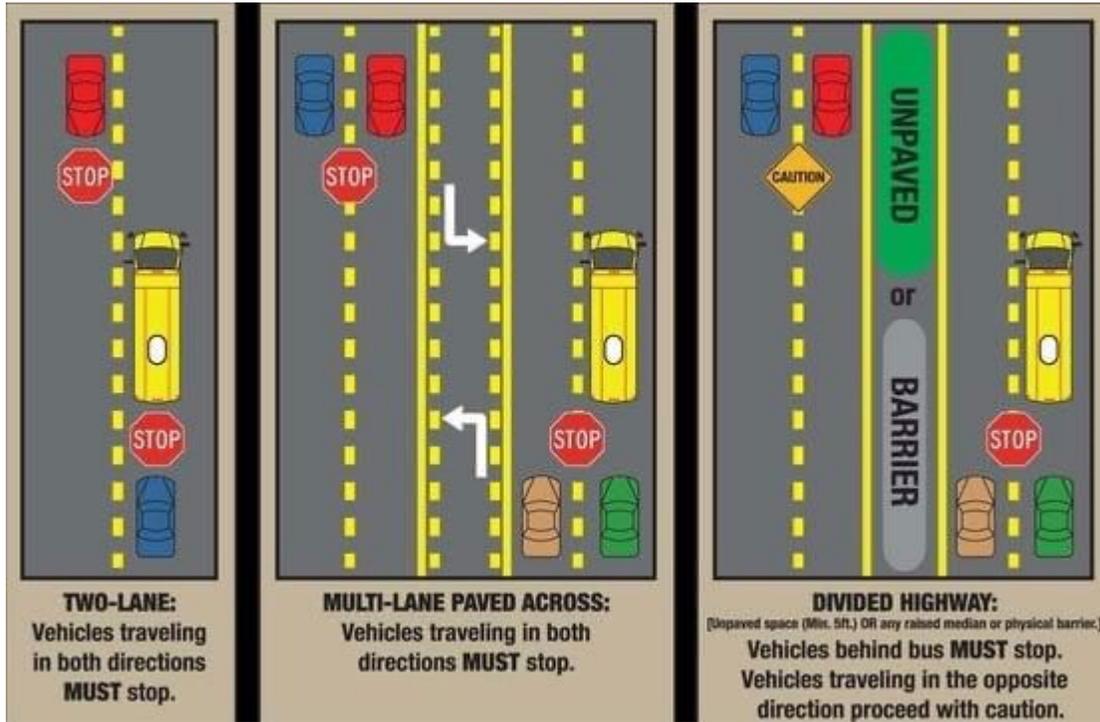

### Pool Days are Numbered

The pool will soon be closing for the season. Please make sure that you visit the Lost & Found and claim any items that belong to your family.

## Reminder on School Bus Laws

Make sure that you and drivers in your house know the law on school bus safety. These help to keep students safe as they are crossing the street.

## Great Season for the Hiddenbrook Hurricanes

The Hiddenbrook Hurricanes Swim Team wrapped up its 2021 season on July 31<sup>st</sup>. The season was a tremendous success. Over 160 swimmers competed on the swim team this year, despite the pandemic. Our amazing Waterspouts Program filled up quickly with over 60 young swimmer participants of ages 3 through 8. This program is critical to the team's success, as it provides a head start for the young swimmers for swim team competition.

The Swim Team competed in Division 5 of this season with a 3-2 record, which was its best finish since the 2017 season. The Hurricanes broke 7 pool records, and a total of 16 swimmers qualified for the NVSL All-Star Meets. Of the 102 teams in the NVSL, this year's performance ranks the team in the top 30 of the entire league, which is a great accomplishment. The Waterspouts "Lollipop Meet" at the end of the season was as fun as ever -- watching future Hurricanes compete for the first time was a great joy for everyone.

The team also had a great deal of fun participating in social activities. These included picnics after each meet on the pipeline, games on the Dranesville fields, the "Amazing Race" through the neighborhood, spirit dinners, and of course the end of the year team banquet. One of the most enjoyable events was the second annual family relay competition, where a total of 36 relays competed in a 100 meter relay race. The age of the participants ranged from 4 to an unknown number greater than 60.

Thanks to the 100+ swim team families for making this a successful season, and for keeping everyone safe. We look forward to next season with great enthusiasm!

## Tennis

Come one, come all and enjoy some friendly tennis competition. The Tennis Committee implemented a tennis ladder in August with great success due in large part to Marie Olenych who helped set it up. People are still more than welcome to join and can contact Matt King at [mkk121975@hotmail.com](mailto:mkk121975@hotmail.com) to sign up.

Pickleball nets and paddles are available in the storage container on the tennis court closest to the swim team bleachers. The same tennis court is marked with blue lines for two Pickleball courts. Use your tennis court key to access the nets and paddles in the storage container. Please return items to the storage container when you are finished. If you have questions or would like an introduction to Pickleball please contact Tony Roane at (202) 345-3396.

Lastly, if members have difficulty entering the courts due to issues with the locks, please contact the Property Manager ([Hiddenbrook\\_Homes@hotmail.com](mailto:Hiddenbrook_Homes@hotmail.com)). The lock cylinder has been replaced and we need to know if there are still any issues.

## Office Closed from September 20<sup>th</sup> through October 1<sup>st</sup>

Our property manager will be out of town for a two-week period at the end of September. The email will be not be monitored daily during that time period. If you are planning on selling your home, and need to order a resale disclosure package, it is recommended that you do so now to avoid any delays during that two-week period. The order form can be found [here](#). If you are planning an exterior modification project, you may also want to send your application before September 20<sup>th</sup> or plan to wait until the first week of October to send your application in. The ARC application can be found [here](#).
