

CONCORDIA

August 21, 2015

Mr. Carlo Angeles
President
We are the Present Youth Coalition

Dear Mr. Angeles

It is our pleasure to invite you as our guest to attend the fifth annual Concordia Summit taking place at the Grand Hyatt in New York City on October 1st and 2nd, 2015. As a prominent global leader, we believe that your expertise would significantly contribute to our overall mission of promoting cross-sector collaboration.

Concordia is a platform that transforms and enhances the way global citizens approach the world's greatest challenges. Through its programming, issue-based campaigns, and research, Concordia facilitates cross-sector collaboration to capitalize on the efficiencies of the private sector and the scale of the public sector.

As the world turns its attention to New York City during the week of the General Debate of the UN General Assembly, the Concordia Summit offers an extraordinary opportunity to weigh in on the most relevant issues of our time. The 2015 Concordia Summit will convene a diversity of opinions to discuss the power of partnership in tackling timely issues from cybersecurity and counter extremism to human trafficking and crisis response. Previous Concordia Summits have brought together over 2,000 participants, including current and former heads of state, international and US-based Fortune 500 C-suite executives, prominent nonprofit leaders, and senior Congressional and Administration officials.

Past Concordia Summit speakers include U.S. Presidents Bill Clinton and George W. Bush, President José María Aznar of Spain, President Felipe Calderón of Mexico, as well as Dr. Jacob A. Frenkel, Chairman of JPMorgan Chase Int., and Andrew N. Liveris, President, Chairman and Chief Executive Officer of The Dow Chemical Company, among many others.

We would be honored by your attendance at this event. For more information or to RSVP, please contact Jon Benitez at jbenitez@concordia.net or +1.646.568.1283. We do hope you can join us in celebrating five years of collaboration at this year's Summit on October 1st and 2nd.

Sincerely,
