**PUBLIC COMMENT** -None

### **ELECTED/APPOINTED OFFICIALS**

City Attorney Holder presented copies of revisions to ordinances Chapter 97-Open Burning, Chapter 91-Animals, and Chapter 10- General Provisions. Ordinances would be reviewed before final passage.

Wright informed council that the fiscal year 2023 audit has begun.

Alderman Pitts requested a slow-down children at play sign to be installed on North 5<sup>th</sup> Street between Vine and Washington.

Alderman Racey reported a meeting at the depot concerning the 2023, 50/100 mile run. Racey noted that the bike crossing from the city park across 146 East needed to be re-painted. Penrod said he would contact IDOT.

Mayor Penrod reported a water leak near the old standard station at the 4-way earlier in the day reporting the leak was repaired and several homes/businesses were notified of a boil order.

Mayor Penrod gave an update on the following projects: 146 East IDOT-Notice to proceed documents for water and sewer relocation were signed and gas relocation by the city was almost complete. Rural Development Loan/Grant-\$5.6 million-dollar project for watermain replacements, water tower improvements, water plant and including the water portion of the 146 East project. Process was ongoing, getting close to hearing interest rate/percentage on loan.

Penrod said he and Alderman Pitts had attended a meeting with the Millstone Water District on July 18 to discuss Millstone providing water to Vienna during the filter media change for several days as well as discussion of fully supplying the city in the future. More information would be obtained before a decision would be made by the city.

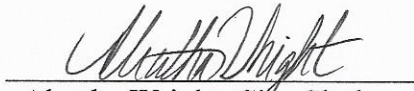

Penrod informed council that project costs to Redbud Road upgrade had increased significantly since the city was awarded DRA grant funds. Discussion was had of project cuts that would need to be made. Penrod said the city could reapply for funds to finish the project.

Penrod noted that Ameren would be providing a quote for extension of electric from the baseball field to the soccer field area the youth league currently uses. Penrod said the youth league had purchased lights/poles and requested electric as part of their plan to continue to develop the area into permanent soccer fields. Council discussed whether the field should be developed any further than the current use due to floodplain area, limited space as well as costs to the city.

As there was no further business to discuss, Alderman Racey made a motion to adjourn. Seconded by Alderman Tuey. Mayor Penrod adjourned the meeting at 7:40 p.m.
