ABOUT THE TEACHER

I have worked at Liberty for over 20 years.

My desire is to impart the character of Jesus into the lives of my students so that they can be examples of Jesus whether it is during outside time playing sports or in the classroom.

For Kindergarten: I have the opportunity to teach new skills by playing games.

For First – Third I am beginning to teach character traits as well as working together as a team.

For Fourth – Fifth grades I use sports and games to teach character traits and co-operation with their team players. On occasion I will announce that the sport of the day is – encouraging one another. During game time each player will look for a good skill that someone else has and praise them.

When I am not at school teaching, I enjoy taking my friend's children (adopted family) to see a movie, or to the park, or to the children's museum.

My life verse is Heb. 12:2

“Looking unto Jesus the author and finisher of our faith. Who for the joy that was set before him endured the cross despising the shame and is set down at the right hand of the throne of God.”
