My Cat Kyle

*What an incredible generous gift, Jennifer, thank you!*

Dear Jennifer,

You did it!

Because of you, we not only met our goal for the Big Day of Giving - we surpassed it!

You deserve a BIG thank you for your generous donation of \$500.00 to RedRover through the Big Day of Giving Campaign! Thanks to your generous gift of, we were able to raise more than \$17,000 in one day for animals and the people who love them. Your dedication and kindness showed that together, we can do so much.

Your support helps keep families together in times of crisis - like Shari and her beloved dogs, Oliver and Doja, who were able to escape domestic violence with the help of RedRover and Weave.

Visit [RedRover.org/DOG2017](http://RedRover.org/DOG2017) to watch our impactful video and see firsthand how your support made a difference in the lives of Shari, Oliver and Doja.

This is just one example of how your compassionate support helps keep families intact through times of crisis - and provides safety and care when animals need it most.

Your support of RedRover through the Big Day of Giving ensures that RedRover will continue to provide critical financial assistance that preserves the bond between people and their pets through the RedRover Relief program, as well as shelter and care for animals in crisis through our RedRover Responders program and teach empathy toward animals in children through our RedRover Readers program.

Thank you again for your support of RedRover through the Big Day of Giving and for making this work possible. We couldn't help people and pets, like Shari, Doja and Oliver, without you! Please share our story with your friends and family. Together, we can make the world a more humane place.

I am so glad you are a part of RedRover!

Warmly,

Erin Bialecki  
Membership and Development Manager
