DESCRIPTION: This old Deerslayer has a comfortable grip and is smooth shooting. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in good condition. No drilled holes; No chips or cracks. There was one small ding below the specs that was sanded down (see dark spot under specs). No stress lines or crazing. A few scratches and nicks here and there. The main flaw in this bow is the upper back limb. There were some significant scratches (not stress lines) that were filled, and the limb re-stained and varnished. It is a little darker brown that the other limbs, but looks the same from a short distance. Decal is a reproduction. Overall, this is a really nice bow in good condition for its age.
