Health Tip

During this season the best way to keep your child healthy is through frequent and thorough hand washing. When washing hands, children should get hands wet and soapy, rub hands together long enough to sing the 'Happy Birthday' song in their heads twice, rinse hands under clean water, and then dry with a clean towel.

Kindness Quote: Kindness, it costs nothing, but It means everything!

Book Recommendation: *Hair Love* by Matthew A. Cherry (former NFL player)

WE NEED YOUR HELP: PARKING REMINDERS

Reminders for the Drop off Zone in our Parking Lot.

We would greatly appreciate it if you could please follow these expectations when dropping your child off in the morning each day:

- Please do not leave your car unattended when stopping along the yellow curb.
- Faculty and Staff are on duty to assist your child with getting out on the passenger side of your car in order that you do not need to exit your vehicle.
- If you need to exit your vehicle, please park your car in a designated parking space.
- If there are available parking spaces, please try to avoid parking along the plain curb as it is difficult for other cars to exit the parking lot after drop-off.

Thank you for your help with following these parking lot expectations for safety reasons.
