2st International Conference on Intelligent Informatics and BioMedical Sciences ICIIBMS 2017
November 24-26, 2017, Okinawa, Japan

Scope

ICIIBMS 2017 creates an opportunity to share ideas and discuss current topics in the field, and at the interface of computer science and biology. The conference is a three day event with oral presentations, poster sessions, and plenary lectures.

Conference Tracks

Track 1: Signal Processing, Computer Networks, and Telecommunications
Track 2: Artificial Intelligence, Robotics, and Human-Computer Interaction
Track 3: Bioinformatics, Medical Imaging, and Neuroscience

Venue

Okinawa Institute of Science and Technology Graduate University (OIST) in Okinawa, Japan.

Publication

All papers published in the ICIIBMS 2017 Conference Proceedings will be submitted to IEEE for inclusion into IEEE Xplore and selected papers will be considered for publication in the Journal of Applied Science and Computer Science (ASCSPub, http://www.ascspublications.org). We invite you to submit your original technical paper to this conference. All submissions will be peer-reviewed by experts in each topic.

Important Dates

Abstract-only Submission Due:	July 31, 2017
Ongoing research Submission Due:	July 31, 2017
Full Paper Submission Due:	July 31, 2017
Notification of Acceptance:	Aug. 25, 2017
Final Camera-Ready Paper Due:	Sept 10, 2017
Author Registration Due:	Sept 30, 2017

Steering Committee

General Chair:	Shiro Tamaki, Japan
Executive Chair:	Shinay Ikematsu, Japan
Program Chairs:	Dai Fengzhi, China
	David Van Vactor, USA
	Anezaki Takashi, Japan
Local Chair:	Fumiaki Takemura, Japan

For details go to http://www.iciibms.org and take this opportunity to visit beautiful Okinawa!

Organized by :

University of the Ryukyus   OIST   ONCT

Sponsored by:

ASCS Publications   TOMY   IEEE   IEEE COMPUTER SOCIETY
