## PRESIDENTS MESSAGE

The fun has begun! The past two months have been filled with fun doggy activities. We had a training day at Lou and Peg's which was well attended and extremely informative, as always. Some puppies got to see birds for the first time and more experienced dogs had a few reminder lessons.

The Club Championship went off smoothly, thanks to the expert planning by Deb Broad. The heat was a real challenge, but thanks to a large cooler filled with ice and water, they were able to cool down quickly. Although there were fewer entries than in past years, a great time was had by all. Congratulations to all the dogs for their performances, and especially to the winners. Placements for the Club Championship and the Carroll County show will be highlighted elsewhere in the newsletter.

We just finished our supported entry at the Carroll County Kennel Club show in North Conway. It was great to see so many club members there. Our Puppy and Veterans Sweeps were fun to see – the beginning and end of the cycle. Congratulations to all members for the marvelous performances of their dogs. Lynn Milewski acted as our unofficial photographer so that we would have pictures for the newsletter and website.

Still to come are the Hunt Tests on September 29<sup>th</sup> and 30<sup>th</sup>. Entry forms are beginning to come in and I've got my fingers crossed that it will stop raining by then! We are planning activities for the gloomy winter months, such as handling classes and a hunt test seminar. Something for everyone.

Thank you everyone for all your support and efforts to make these events possible.

## CLUB CHAMPIONSHIP 2007

After a few hurdles we arrived at Sharp's Farm to hold our 2007 Club Championship event.

Despite the 107 degree heat index, everyone pooled together, as always, to make the event run smoothly, assure people and dogs were kept cool, and as comfortable as possible. The guys headed to the lake to fill the huge dog size cooler (Photo above) with water to keep available to dunk the furkids in at the table area. Everyone brought tons of ice for drinks and water bowls. Pauline's lunch was superb as usual and no one went without.

Thanks again to everyone who entered and those who came to help. We couldn't do it without you! and to Peg for the great pictures.

Big Congratulations to All and See you next year!

**Club Championship:** The Club Championship was held Saturday August 25<sup>th</sup>. In spite of the horribly hot weather, a good time was had by all. Congratulations to all the dogs and especially to the winners. Next year there will be a Senior level, possibly for age 10 and above.

**Training Days:** The training day on August 19<sup>th</sup> was a great

success – great day and a great turn-out. Deb is working on a possible Conformation training day at The Barking Dog in Exeter.

**Rescue:** The GSPCA has need of funds for support, which was voted/approved that we contribute.

**Website:** Tabled, as Kim is in Maine for the summer.

### Katahdin GSP Supported Entry

North Conway, NH

Sept. 8, 2007

We enjoyed another great event together on yet the second hottest day in two months.

An Exhibitors Quote "Such a nice Show".

Thank you to all that helped, entered, and to Pat for being our trophy/picture person since her boy couldn't show due to an injury the week before. We sure kept her busy! What a great lady! We all should be "warmed" up for the Boston shows.....Congratulations to all!

Deb

## ***BRAGS***

### **From the Milewskis'**

Paul and I are pleased to announce that we now have our kennel name. It is "Samistic Kennels". The name is to honor our first Shorthair Samantha and our first Rotti Mystic Moon. I pray that with God's Blessings we will honor the tradition of breeding to the standard to improve the blood lines. Our foundation bitch is Birdlands Sweet Lilia of the Valley.

### **Recent Brags from Sherry Thrall and Bob Kapitan of Hedgehog Hill Shorthairs:**

Hedgehog Hill Shorthairs' HHH Jam on the Brakes, aka Jammer, garnered his second Best Puppy in Sweepstakes win, this time at the Club's Supported Entry at the Carroll County Kennel Club show. He also went Winners Dog both days, leaving him with just a single point needed to finish his AKC Championship. Jammer was WD/BOB twice at the Cornwall District Kennel Club shows the weekend before, giving him six points towards his CKC Championship to date. Our Honey Run's Git-R-Done JH (Miss Giddy) was WB/ BOS two days, she now has six points towards her CKC Championship as well.

Our Sweetie puppy litter is just six months old ( Am Can CH Honey Run's Shifting Gears SH x Can CH Crystal's High Hopes for HHHill).

HHH Oh So Sweet, aka Honeysuckle, was Best Opposite in Sweepstakes to her half brother Jammer at the Supported Entry, congrats to her owners Cathy, John and Ondine Peters. Her sister Tudie, (HHH Honey Run's Sweet Promises) was Best Puppy in Breed and Best Puppy in Sporting Group the first day she was shown at the Cornwall Kennel Club shows over Labor Day weekend. Tudie garnered two WB/BOS wins giving her three points towards her CKC Championship, she is co owned by us and Cindy Stahle of Honey Run Shorthairs.

Brother Ritter, (aka HHH Sweet Return) garnered both Best Puppy in Sweeps and Best Puppy in Match at the Troy Kennel Club sanctioned match in July and a Puppy Sporting Group 2 at the Ballston Spa match in August. He is starting his show career in Canada in late September and his AKC career in October, we co own Ritter
